"WE CAN DO IT," J. L. Eisenbeis, chairman of the 1980 campaign drive of the Tri-Cities Area United Way, tells nearly 200 volunteer drive workers at the campaign kick-off breakfast Friday morning as he announces this

year's drive quota of \$685,000. Seated next to the drive chairman is Leo H. Konzen, master of ceremonies at the breakfast. The United Way drive provides funds to finance 15 area social, educational and emergency assistance agencies.

United Way seeks \$685,000 quota

By MICK STRANGE of the Press-Record

The goal for the Tri-Cities Area United Way 1980 drive is \$685,000, it was announced Friday morning at a UW Campaign Kick-Off Breakfast.

Nearly 200 volunteer workers gathered at the "kick-off" followed a theme of a winning football team about to start the "really big game."

The breakfast and program were held in the Township Building, 21st Street and Delmar Ave.

The guest speaker, Ray Sonnenberg, a former National Football League official, noted that what is needed to win is determination in every worker's mind that he is going to make his personal goal and be a player on a winning team.

"Quit is not in the vocabulary of winners," Sonnenberg emphasized as he related stories of champion athletes who, despite handicaps, climbed to the top of their sport by hard work and the "sheer determination to win."

Sonnenberg noted that actions speak

louder than words as he gave a graphic example and then called on the workers to first give their fair share gift before they ask someone else to give.

"Many people will say when asked to give to the United Way, 'Well what am I going to get out of it?' You never know until your time comes for a need," Sonnenberg said.

Drive chairman J. L. Eisenbeis said, "This is a new ball game and we have a first-rate team gathered here. We should all look forward, not backward, and make our goal. Perhaps we could even reach \$700,000."

Chairman Eisenbeis explained the job of the vice-chairman and as he did he made five completed passes; throwing from the head table a football to each chairman. All passes were completed, which was noted by many as a "good sign" for this year's drive.

Football passes were passed to: Robert L. Jackson, Mrs. Margaret Lee, Christ Pashoff, Dr. Joachim Bauer, George Moore and Tom Thibault.

A special football was tossed from the

speakers' table and caught by Edward F. Reiske, a good 50 feet away. Reiske is acting executive director of the United Way.

Following breakfast, the invocation was given by Capt. Donald Salsbury, commander of the local Salvation Army.

Leo H. Konzen was master of ceremonies at the traditional kickoff breakfast.

Singing at the beginning and at the end of the program was led by Shirley Adams.

Mrs. Deloris Mott spoke to the group about how, through the help of a United Way funded agency, she was able to adopt a 7-month-old boy and now is adopting a 3-year-old named David.

Father M. J. Quilligan, director of the Madison County Catholic Charities, gave the benediction.

The United Way helps support 15 local agencies. Additional volunteer workers can help by contacting the United Way office, 2021 Edison Ave., telephone 877-6790.

Tax income for agencies may be cut by exemptions

The good news (for Quad-City taxpayers): Assessment exemptions are available for this summer's residential property taxes, through certificates of error, and for next summer's taxes, through filling out a form published in today's Press-Record.

The bad news (for governmental bodies in Madison County): The exemptions may reduce tax revenue

below the level that the taxing agencies had expected.

The subject was discussed at a special meeting on Thursday of the County Board's Central Services Committee. County Treasurer Mick Henkhaus agreed with committee members that the volume Senate Bill 1790 exemptions may prove to be troublesome.

Others meeting with the committee included County Clerk Evelyn Bowles; Mary Kane, County Board administrator; and Jean Hostetter, representing Supervisor of Assessments James Barton, who was busy preparing certificates of error for those who did not apply by last fall.

Venice, Madison initiate alert program for elderly

The Madison and Venice post office began today the Carrier Alert Program to aid senior citizens as well as persons who have known illnesses or are disabled. Bill Moore, postmaster in Madison, and William Singleton, postmaster in Venice, announced today.

A card that may be picked up at the respective participants post office must be filled out and turned in to the police.

The card lists basic information such as name, address, phone, known illness

and a person to be notified in case of emergency.

The card is then mailed or taken to either the Madison or Venice police departments, where they will be kept in a confidential file.

A sticker will be given the participants when they pick up the cards at the respective post office.

The adhesive sticker is to be placed inside the mailbox and will alert the mail carrier to pay particular attention to any unusual circumstances at that

particular address.

Should the carrier notice something peculiar the carrier will then notify the police that there may be a need for assistance.

Persons wishing more information are asked to contact their respective postmaster.

The funding for the new Carrier Alert Program has been made possible by the Madison Business Association (MBA), First National Bank in Madison, and Dupli-Print.

Woman on cycle killed

Mrs. Cindy (Amberger) Wiggins, 23, of 2412 Adams St., died of injuries received in an accident involving two motorcycles on Illinois Route 3, one-half mile south of West Ponton Road at 1:30 a.m. Sunday.

She was pronounced dead at the scene at 2:20 a.m. by Randall A. Irwin, deputy coroner for Madison County. She was a passenger on a motorcycle driven by her husband, Ronald J. Wiggins, 24, who was admitted to St. Elizabeth Medical Center. He reportedly

suffered multiple bruises and cuts to his knee, side, left hip, hand, elbow and ankle.

According to Illinois State Police the Wiggins motorcycle ran into the rear of a motorcycle being ridden by Alan K. Nunn, 23, of 2453 Center St., who was reportedly not injured.

Both motorcycles were northbound on Route 3. Funeral arrangements are listed in today's obituary column.

Burglary at city hall

Granite City police were collecting evidence this morning at the city hall, where someone broke in during the weekend and searched through desks and files in nearly all rooms of the three-story building. The loss appears to have been minimal, city officials said.

Entry was believed gained through a boiler room window, which may have been left unlocked or open Friday evening.

Doors to the assessor's office on the lower level were forced open and desks were searched. Three vending machines in the hallway also were pried open and coins were removed.

On the main floor, hinges were removed to take doors off the frames to the treasurer's office and two of the city clerk's offices and drawers were searched. In the city treasurer's office, a hole was drilled or carved in a restroom wall next to the main safe, but

the steel walls of the safe prevented entry.

In one of the city clerk's offices, a locked steel box was damaged in unsuccessful attempts to pry it open. Locked drawers were forced open and medication was taken from one desk drawer, but was left on the desk.

In the circuit clerk's office, criminal files were thrown on the floor, but it does not appear any were taken, an employee said. The courtroom on the main floor was entered and searched.

On the third floor, entry to the mayor's office was gained by removing the door from its hinges and entry to the mayor's private office was gained by breaking full-length glass in the door. The mayor's desk was ransacked, but it is not known if anything was stolen. Some employees reported items missing from their desks, but do not know if the items were stolen or were thrown into another portion of the

building. An inventory will be made after everything has been returned to its rightful place, city officials indicated.

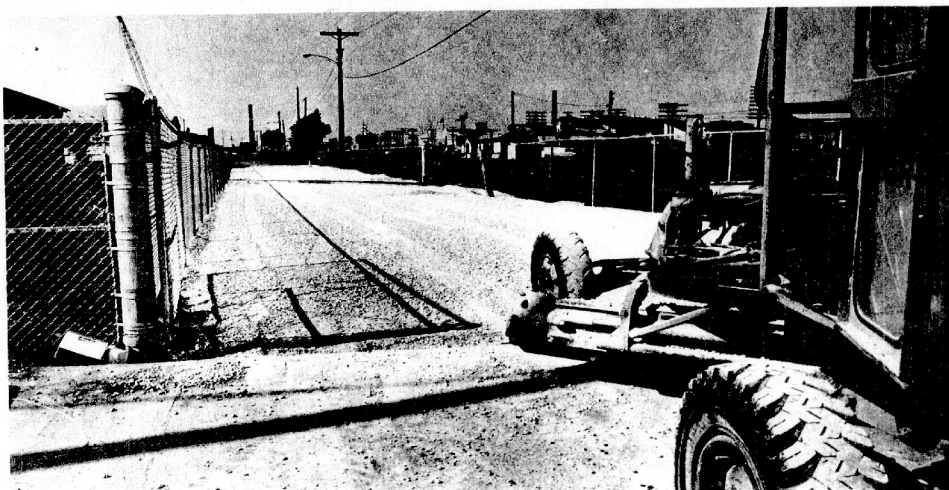

Detectives were photographing the damage and searching for fingerprints this morning and had ordered that nothing be moved, until they had completed their work.

Wrong way to retrieve auto from impoundment

If an auto you have been driving is impounded by police, there is a right and a wrong way to get it out, one Ponton Beach man discovered when police arrested him Thursday afternoon.

Jerry Carey, 20, of 3801 Lake Drive, Lot 304, first had the borrowed car he was driving impounded after he allegedly struck the house of Minnie

1st National sponsors student banking program

Typically, people have had to go to banks to learn about banking. Today, however, the banks are going to the school classroom to teach banking.

This is one of the manifestations of a new filmstrip program "Banking Is..." which the First National Bank of Granite City National Bank has presented as a public service to the students at Granite City-North and South High Schools.

Making the presentation was Melvin C. Wilmsmeyer, president of the local bank. Accepting the multimedia filmstrip units at a presentation meeting at the DuMont's Restaurant were Gilbert Walsley and James L. DuMont, Principals of North and South high schools respectively.

"The program 'Banking Is...' gives the student first-hand experience in the basic banking activities he will use throughout his life. 'Writing a check, applying for a loan, computing interest and using a bank's services are things most adults take for granted; we have done them all our lives. But these activities must be learned, and for many of today's students they are as foreign as any new endeavor.

"Many adults learned banking by trial and error; but, in today's world of advancing technology, this is no longer a satisfactory solution. For instance, today checkwriting is as much a part of life as driving is. Ninety percent of all financial transactions are made by check and the American public will write over 2.5 billion checks this year. Yet, in spite of this, statistics show that an estimated 85 percent of graduating seniors do not know how to write a check properly. So, it is easy to see that checkwriting is an activity that each student should understand if he is to take his place in the community.

"We hope our sponsorship of his program will help give the student a more thorough understanding of these basic banking activities and help him in the management of his personal financial affairs.

"We strongly believe that the more financially secure a student becomes through knowledge and practice of good banking, the better a citizen he becomes; and the better our young citizens, the better our tomorrow," he noted.

In addition, Wilmsmeyer pointed out that as a part of the program an office of the bank is available for a follow-up classroom question-and-answer session, and the students may be given a tour of the bank to see the operations at work. Thomas Holoway, assistant vice president, and Jack

Births, deaths rise slightly

A total of 62 births and 39 deaths in the Quad-City area during August were slight increases over the 58 births and 34 deaths during the same month a year ago, according to a vital statistics report released by City Clerk Robert Stevens.

The report said there were no fetal deaths last month compared to one in August 1979.

The August figures brought to 433 the total number of births in the Quad-Cities this year. A total of 328 deaths and 3 fetals have been reported for the first eight months.

Last year there were 469 births, five fetals and 341 deaths during the same period.

BANK PROGRAM. First Granite City National Bank president Melvin C. Wilmsmeyer, City High School principals James DuMont, left, and Gilbert Walsley, right. Entitled "BANKING IS..." the program provides junior and senior level high school students with a fundamental understanding of the banking system, and hands-on experience in utilizing basic bank services. The program will be presented to approximately 1,000 students during the current school year.

Cooper, assistant cashier, have been designated as bank coordinators of the "Banking Is..." program. The program will be incorporated into Consumer Education courses and presented to approximately 1,000 students at the junior and senior class levels.

SIU budget 8% higher

The Southern Illinois University Board of Trustees approved Thursday a \$229,996,400 operating budget for the Carbondale and Edwardsville campuses and the office of the chancellor, based on state appropriations and expected non-appropriated income for the 1981 fiscal year, which began July 1.

The budget, reflecting an increase of \$18.2 million or 8.6 percent over last year, is based on estimated income of \$154.5 million from state appropriations and \$74.5 million in non-appropriated funds.

Of the state appropriations, which account for about 67 percent of the total operating budget, the Carbondale campus will receive \$108.1 million, a 9.6 percent rise; and the office of the chancellor will receive \$972,000, an increase of 7.5 percent. The figures include retirement fund contributions.

State appropriated funds consist of general revenue funds (tax dollars) and income fund collections, derived primarily from tuition and fees.

General revenue funds will support about 55 percent of the FY 1981 budget, while income fund collections are expected to support about 12 percent.

Projected non-appropriated funds represent a net increase of \$5.5 million or 7.9 percent over last year, with Carbondale budgeted for an increase of \$5.2 million (9.1 percent) and the Edwardsville campus budgeted for an increase of \$279,000 (2.3 percent).

Funds in the non-appropriated category include income received from goods and services, support of research and other programs sponsored by governmental entities and private foundations and corporations.

Also, revenues received as reimbursement of indirect costs on sponsored programs; revenues from operation of revenue bond financed auxiliary enterprises, principally housing and student center operations; and revenues from other self-supporting auxiliary enterprises and support of research and other programs sponsored by student fees and operating charges.

The increase in state appropriated funds provides salary increases averaging eight percent for all employees; price increase funds of seven percent for goods and services other than utilities and 16 and 13 percent for utilities at SIUE and SIUC, respectively; \$45,400 for operation and maintenance of new space in SIUE's East St. Louis Center (Broadview Hotel building); and \$445,800 for new and expanded or improved programs, including \$377,800 at SIUC and \$198,000 at SIUE.

Other special items funded in the budget include: physical plant—\$330,300; at

Father Tebangura is in residence here

Father Francis Tebangura, from Uganda, Africa, is in residence at St. Margaret Mary rectory while completing his studies for a doctorate degree in philosophy at St. Louis University.

He will assist Father Terry Shea, pastor of St. Margaret Mary, during his year of study and then return to his homeland where he will teach at Alkolman Seminary in Uganda.

Father Tebangura speaks fluent English, noting it is the official language of his country. He added he likes this area and the temperature is much like the weather at home with the exception of the high humidity here.

Uganda, in the eastern part of Africa, lies between Kenya Colony on the east, and the Belgian Congo on the west. It is a tropical land located on the equator and covers a total area of 93,981 square miles. Of this, 13,680 square miles is water. Lake Victoria is the largest body of water and is the source of the Victoria Nile River.

The African country has a population of 5,050,000 and most people are Africans, but there are about 38,000 Asians and about 3,000 Europeans.

With the mountains in the region, Father Tebangura said the temperatures are cool in the early morning and evening with the heat more prevalent in mid-day. Temperatures range from 50 to 90 degrees year around but in December it may reach to the 100 degree mark. They also have rain most of the year which helps to maintain the tropical products that grow in Uganda's productive soil.

An avid fan of soccer, Father Tebangura noticed soccer fields in the area and hopes to attend some of the games before he leaves. He added that soccer is the national sport in Uganda and he still plays the game and also serves as a coach, which he intends to resume when he returns home.

FATHER TEBANGURA

When asked about other sports that interest the people of Uganda he said, the next most popular sport is boxing and basketball and volleyball is just starting with lawn tennis enjoyed in the schools and at private clubs.

Revival by Ken Cotton

A revival at the Bethesda Temple Pentecostal Church, 2161 State St., will begin tomorrow. Evangelist Ken Cotton will be speaking each evening at 7:30, starting Sept. 16.

Army promotes Drenz to general

Charles F. Drenz, Black Hawk project manager in this area, was promoted to the rank of brigadier general during ceremonies at the Federal Center in St. Louis this month.

Official at the ceremony was Maj. Gen. Robert J. Lunn, Army Materiel Development and Readiness Command deputy commanding general for materiel development.

Gen. Drenz' new assignment will be commander of the New York area Defense Contract Administration service region. He said he hopes some future assignment will return him to the local area.

He was commissioned a second lieutenant and began active duty in April 1953, and his overseas service includes two tours of duty in Vietnam.

Following the second tour, which ended in 1972, he attended the Florida Institute of Technology, where he received a master of science degree in contract and procurement management.

At one time the general was assigned to the office of the deputy chief of staff for logistics in the Pentagon, primarily as an aviation logistics staff officer.

He also served as a special assistant to the Advanced Attack Helicopter Project manager and later as project manager for the Cobra Attack Helicopter. Prior to becoming the Black Hawk project manager, he was commander of the Corps Christi Army Depot in Texas.

SHED IS LOOTED

Tools and equipment valued at about \$1,690 were stolen from a storage shed behind the home of John Goodman, 1733 Edison Ave., between 11 a.m. Monday, Sept. 8, and 12:15 p.m. Thursday. Three doors to the large shed were opened, one by prying a padlock from the door. Taken were a \$500 air compressor which had been chained to the shed, a \$300 engine testing machine, a \$45 pipe wrench and mechanic's tools worth more than \$845.

for the assessment deduction.

Data Processing Director Pat Morrison commented, "There are 37,000 people out there who didn't receive the 1790 form (exempting up to \$3,000 of any assessment increase occurring since the 1977 tax year). In a month, we could be looking at a disaster."

Home owners who failed to apply for the exemption for the 1979 tax year (1980 collection) are being urged to do so by Monday, Sept. 22, with their township assessor or with the county supervisor of assessments.

Those filing to obtain the exemption for the 1980 tax year (1981 collection) have until Oct. 15 to submit the kind of form given elsewhere in today's issue.

Miss Bowles said she expects about 5,000 certificates of error to be issued this year, and that about 1,300 already are on file.

"I agree that, if they have the exemption coming, they should get it. But I'm concerned about the costs involved in the processing of the certificates of error," she commented. "And the late exemptions will cause taxing bodies to receive less than they are counting on, since tax extensions were based on the original assessment totals."

From the assessor or assessment supervisor, certificates of error go to the Madison County Board of Review, where they need to be co-signed by at least two review board members.

Next, the certificate application, along with the original tax bill and an affidavit signed by the home owner, are forwarded to the county clerk for assignment of a case number, docketing and indexing.

The applications then go to the state's attorney's staff for evaluation. Those

found insufficient are returned for further documentation or for a court hearing.

Applications deemed to be adequate go to a judge for approval and signature, and then to the county clerk, who enters the orders on a docket sheet and re-computes the individual's tax bill.

The treasurer then collects photocopies of the re-computed bills, and the county clerk checks down all additions or subtractions for the data processing department.

At present, seven county clerk employees are working on certificates of error. "I've had to put on extra people at night to work on them," she says. Assistant State's Attorney Michael Thompson is devoting about half of his working hours to the certificates.

Wrong way

King, 2531 Grand Ave., at 2:05 a.m. Thursday.

Witnesses said the northbound car left the roadway, struck the corner of the house and an evergreen shrub, then knocked down Mrs. King's picket fence and left the scene, according to police.

The auto was stopped moments later at 27th Street and Madison Avenue after an alert policeman noticed part of the evergreen hanging from the damaged front end of the car, according to official reports.

There allegedly was a can of beer on the floorboard. Although Carey declined to talk to police about the

accident, a passenger told officers they had been in an accident, police reported.

Carey was charged with leaving the scene of an accident and illegal transportation of alcohol and the car he was driving was ordered impounded at Abel's Auto Body, 2019 E. 20th St.

He was released on bond about one hour later and allegedly went to Abel's to try and recover the car. Officials at Abel's said the vehicle was driven through a locked fence gate about 4 a.m. Thursday, causing \$607 damage.

Pontoon Beach police were told that

the wife of the owner of the car, Edward Sharp, 2245 Miracle Ave., had recovered the car in Quiet Valley near the Pontoon Beach Police Department, where Carey allegedly told her he had abandoned it.

Carey was arrested at his mobile home and allegedly admitted he drove the car through the fence at Abel's. He was charged with a state charge of criminal trespass to land and was charged in a felony informational document from the Madison County state's attorney's office with criminal damage to property in excess of \$150.

Man charged with leaving accident scene

Thomas M. Bauer, 46, of 1723 Elizabeth St., Madison, was arrested at 9 a.m. Friday in the 1600 block of Madison Avenue and was charged with driving while intoxicated, careless driving and leaving the scene of an accident.

He allegedly was involved in a hit-and-run accident on 18th Street east of State Street at 1:30 p.m. Thursday. A witness said a car backed from a parking space across 18th Street, struck the parked car of Peggy Miller, 2407 E. 24th St., and then left the scene.

Police had been watching for the auto when they saw Bauer's auto. Friday morning and arrested him.

Unidentified man found shot

Madison County authorities are investigating the fatal shooting of a man found in a remote area of Chouteau Island, between the Mississippi River and the Chain of Rocks Road.

The body was found near an auto with Colorado license plates at 7:45 a.m. Sunday by a farm youth.

The dead man is believed to be in his mid-20's. Authorities also believe he has been dead about two weeks.

An inquest will be held to determine if the fatal wound was self-inflicted.

The body was found, on the west side of the Chain of Rocks Canal, about two miles north of Interstate 270.

OPERATORS RETURN FROM RE-MAX MEET

Owners and managers of the Re-Max offices in Madison and St. Clair Counties have returned from a conference at Lake Geneva, Wis.

The conference was part of Re-Max's continuing education program designed to make current information on the Real Estate Industry available to Re-Max agents throughout the country, a spokesman said.

The workshop-seminar was attended by 150 brokers from 42 states and Canada.

BATTERY IS ALLEGED

Robert A. Elmore, 21, who said he has no permanent address, was arrested in Kirkpatrick Homes last week and was charged with striking a 16-year-old boy in the face with a fist on the parking lot of Corner Liquor Store, across from Kirkpatrick Homes. After allegedly striking the boy, Elmore ran into Kirkpatrick Homes and police found him in the 2500 block, where he was arrested. Officers also discovered a battery warrant was on file for his arrest from a previous case and it was served on him.

14-year prison term ordered in stabbing

William L. "Billy" Jones, 25, of 2712 Denver St., has been sentenced to serve 14 years in prison after pleading guilty to armed violence in the fatal stabbing of Terry "Toby" Wickam, 26, of 2836 Denver St., June 13.

Circuit Judge Victor J. Mosele pronounced sentence in Madison County Circuit Court at Edwardsville.

Wickam was stabbed in the abdomen with a knife at Victor's Tavern, 2001 Illinois Ave. Witnesses said a man, alleged to be Jones, entered the tavern and walked to the table where Mr. Wickam was seated. When Mr. Wickam rose to his feet, the other man swung a hand at Mr. Wickam's abdomen twice and then, dropping a folding knife inside the

south doorway of the tavern, police were told.

A bartender and a customer chased the man, but were unable to catch him.

On his deathbed, Mr. Wickam alleged that Jones was the man who stabbed him. He died at St. Elizabeth Medical Center a short time after the attack.

Jones, who surrendered to Granite City officers June 26, had been charged with murder and armed violence, but Judge Mosele agreed to dismiss the murder charge in return for a guilty plea on the armed violence charge. Some friends of Mr. Wickam have told the Press-Record they disagree with the plea bargaining in the case, contending the police had sufficient evidence to prove Jones on the murder charge.

Arrest in stabbing

Steven W. Prince, 25, of 3713 Pontoon Road, was arrested Thursday on a felony warrant in connection with the stabbing of Robert J. Lane II, 26, of 2828 Victory Drive, in the 1600 block of Edison Avenue at 4:20 p.m. Aug. 29.

Prince was charged with aggravated battery in an informational document issued by the Madison County state's attorney's office in connection with the case.

Lane, who is recuperating from his wounds, suffered a 10-inch cut to his abdomen and was in intensive care at St. Elizabeth Medical Center after the incident.

Workshop on communication for couples

The Living Resource Center at the National Shrine of Our Lady of the Snows, 397-6700, will conduct the Minnesota Couple Communication Workshop beginning Wednesday, Oct. 1.

The workshop will be conducted on four alternate Wednesday evenings, 7 to 10, at St. Joseph's Visitors Center at the Shrine, 960 W. Ill. Rt. 15.

Couple Communication Workshop is a four-week enrichment program for married couples, friends or colleagues—any two people who want to improve communications.

Ten specific skills are explored and demonstrated to foster mutual understanding and respect. Couple communication emphasizes learning through doing, with immediate feedback from other participants and the program instructors.

SON IS BORN TO FORMER RESIDENTS

Mr. and Mrs. David Perry of O'Fallon, Ill., former residents of Granite City, have announced the birth of a son, their second child, at St. Elizabeth Hospital, Belleville, on Aug. 10 at 11:30 p.m.

The child has been named Craig David. The couple has a 2-year-old daughter. Grandparents are Mr. and Mrs. Wayne Leshe of Reston, Va., and Mrs. Tony Perry, formerly of Granite City. Great-grandparents are Mr. and Mrs. H.C. Satterwhite of Hawkins, Tex., Mrs. Mary Patton of O'Fallon and Mrs. Marie Perry of Granite City.

Car burned in ditch

An auto, believed stolen from St. Louis, was burned in the Nameoki Drainage Ditch near Victory Drive at 1:55 a.m. Sunday.

A boy, about 15 to 16 years old, was seen fleeing from the ditch and he got into a yellow Ford station wagon with no license plates, where

a driver was waiting.

The 1980 buick, valued at about \$8,000, was destroyed. Granite City firemen extinguished the blaze. The auto was registered to John Mroczkowski of St. Louis, but the owner could not be reached to determine if it had been stolen.

Charged with burglary

Dennis R. Long, 19, of 4112 Rode Ave., was arrested Thursday on a felony warrant alleging burglary.

Police alleged Long was arrested inside Yankee Insulation, 4000 Braden Ave., at 9:35 p.m. Wednesday and had a mini-camera from that establishment in his pocket when he was handcuffed at the scene, according to police.

A witness told police an air conditioner had been removed from the business office and a youth was inside ransacking the office. Police responded and waited until the burglar came outside, carrying a movie camera, a radio and cassette player and three CB radios in his

arms, according to official reports.

When the burglar went back inside and dropped the items, Patrolman Jeff Parker entered and arrested him without incident.

The Madison County state's attorney's office issued an informational document charging Long with the felony of burglary and his bond was set Thursday at \$2,500 cash.

HOUSE BURGLARY

A 15-inch television, a telephone, and a child's piggy bank were discovered stolen at 11:05 a.m. Sunday from the home of Roberta Funderburk, 1730 rear Second St., Madison.

Potential '81 layoffs worry BAC faculty

Belleville Area College's Board of Trustees has rejected a proposal by the college's faculty bargaining organization, the American Association of University Professors, to take "productivity" to binding arbitration.

The productivity issue is viewed by BAC as the major stumbling block to the faculty's acceptance of the board's offer to take advantage of a salary increase offer of 10 percent plus increment with measures that would increase the class load of some teachers by one class per semester. Librarians and counselors would be required to work 40 hours per week.

The AAUP asked that the productivity question alone be submitted to binding arbitration. In rejecting the proposal, the board said, "Arbitration is a unilateral approach to the settlement of these issues."

"The board does not want a unilateral approach to replace the dialogue of bargaining. But if it did, the unilateral voice would be that of the citizens of the district as expressed through their elected representatives."

Attached to a letter sent to individual faculty members was a "negotiations update" which said that the board had thought that the major stumbling block to an agreement on a new contract was the effect of possible retrenchment (layoffs) on individual faculty members.

The update stated that the board is ready to guarantee the following to minimize the possibility of retrenchment:

(1) No retrenchment would occur until after the summer 1981 term.

(2) Present limits for education incentives would be removed through the summer of 1981, to allow two full semesters of graduate work to prepare to teach in another area of the college (present limits are ten credits per year).

(3) The limits on credit

BOYS

Mr. and Mrs. Raymond P. Fyalka Jr., 1610 Poplar St., Sept. 13, Patrick Raymond, six pounds, 11 ounces.

hour reimbursement (\$100 per credit) would be removed through the summer of 1981 for the same purpose.

Faculty members who did not have a full teaching load during the spring semester would be given released time for recruiting duties.

(5) If a faculty member's position were affected — and he or she has either declined to take advantage of an educational incentives of

ferred for retraining, or has decided to leave the college for other reasons — the college personnel office would make every effort to help in the search for other employment.

The update denied that the board's position is that the faculty is "unproductive."

"The board team has stated repeatedly," the update said, "that it does not believe that the faculty is unproductive, merely that a certain segment of the faculty, in fact a minority of

the faculty, could be more productive."

In discussing the board's rejection of the arbitration proposal, Board Member Jack Becker of Sparta said, "To submit our negotiations to arbitration would, it seems to me, be an abrogation of the duties for which the citizens elected us." Each member present last week agreed with Becker and directed interim president Bruce Wissore to communicate the decision to the AAUP.

David Canada, 25, Collinsville, was charged with driving while intoxicated and illegal transportation of alcohol following a four-vehicle accident in the parking lot of the Nameki Cinema on National Road Thursday.

Police alleged Canada's pickup truck turned south onto Nameki Road, crossed the concrete divider into the northbound lanes and continued in a semi-circle back across the median and off the road, where it struck a sign and continued into the cinema's parking lot.

Robert Humphreys, 55, of 1808 Rhodes St., was driving in the lot and saw the truck approaching his car from the rear. Humphreys said he tried to get out of the way, but was unable to avoid the truck hit the rear of the car.

The truck then turned to the right and crashed into the parked car of Pauline Bell, 2945 Oregon Ave., pushing it into the parked car of Alice Williams, 3013 Circle Drive.

Humphreys suffered minor injuries, but did not require immediate medical attention.

Canada told police the accelerator of his truck stuck to the floorboard, causing him to lose control. Officers alleged finding a can of beer on the floorboard.

A 16-year-old Gaslight Walk Apartments resident in the bed of the pickup truck was seen placing something into his trousers and officers found a bag containing pills in the waistband of the

HOUSE IS RANSACKED — Gary Robinson, 2313 rear Edwards St., returned home at 5 p.m. Thursday to discover the house had been ransacked. Furniture in several rooms was overturned and displaced. A can of paint was spilled on the storage room floor and an air compressor was tipped over and broken. The only thing missing is Robinson's checkbook. Entry was gained by prying and forcing a door open.

Vandalism at Kirkpatrick

There was extensive damage done to the apartment of Cynthia Sergerson, 1104 Kirkpatrick Homes, by burglars during the previous two weeks, she discovered Thursday.

She said she had been out of town for a relative's funeral and when she returned, she discovered that entry had been gained by cutting a screen door and breaking the plastic in a door window.

Furniture was broken and overturned, food was thrown on the walls and an obscene statement was written on a wall in catsup. The refrigerator was disconnected, the bed springs were moved to the kitchen and closets and drawers were ransacked.

A pillow case in the upstairs bedroom was set on fire, but extinguished itself without damaging anything else.

Known missing are the toaster, can opener, linens and wash towels and photos of Mrs. Sergerson's children.

Annexation of part of campus approved

The Southern Illinois University Board of Trustees amended its code of policy Thursday to designate the property on the south side of the SIUE campus which has been annexed by the City of Edwardsville.

The board granted consent May 8 for portions of the SIUE campus to be annexed. On Aug. 5, the Edwardsville Council took final action to complete the annexation procedure.

City officials had indicated an interest in annexing parcels at the south edge of the university property because one of the city's major water supply lines runs through the property. Annexation of the campus land will permit the city to complete annexation of the adjoining Country Club Estates residential subdivision south of the campus. The annexed property is adjacent to the Madison County nature trail, west of the Supporting Services Building and the university's electrical substation.

Frohardt PTA to open season

Frohardt Parent Teacher Association will hold its first meeting of the 1980-81 school year at 7:30 p.m. Wednesday.

Principal and PTA President Gary Pfroender will introduce the staff and PTA board members.

The proposed budget for the coming year and programs will be discussed.

There will also be a brief presentation on scouting programs offered at Frohardt.

Refreshments will be served by the PTA board members.

All parents are urged to attend and become acquainted with your child's school.

BREAK INTO STATION

A large plexiglass window in front of the Fina service station at 4170 Nameoki Road, was broken to gain entry to the station last week, but several packets of potato chips are the only things known missing. The cash register and several drawers were opened and the glass in the front of the vending machine was broken. It was the third burglary there in a month.

DAMAGE TO HOUSE

A house at 2715 Buxton Ave., owned by Earl Chestnut of Angela Drive, was damaged after a renter moved out. Chestnut discovered at 5:10 p.m. Thursday. Six windows were broken, there was a hole in the kitchen floor and the bathroom sink was pulled from the wall.

Tighter energy usage control at university

The Southern Illinois University Board of Trustees on Thursday approved plans and specifications authorized supplemental funding and concurred in the award of contracts by the Capital Development Board to remodel and expand the energy management system at SIUE at Edwardsville.

Contracts have been awarded to Johnson Controls of St. Louis. Total cost is \$316,603.

The project involves connecting the temperature control sensing points of the heating, ventilating and air conditioning systems in core buildings to an existing computer, in order to monitor and regulate building environmental conditions automatically.

The action by the board authorizes transfer of \$59,803 in university funds at the same time work is done on other core buildings. Of the supplemental funds, \$45,000 will come from the Student Welfare and Recreation Fund and \$14,803 from state appropriations for permanent improvements.

University officials said use of state funds is appropriate because addition of the University Center to the management system will contribute to the university's overall electrical load-shedding capability. It will also permit the Center operation to be billed on an actual, rather than an estimated, basis for its electrical usage.

Buildings included in the project in addition to the Center are: John S. Rendleman, Peck Classroom, Lovejoy Library, Science, and Communications. Classroom Buildings II and III have the system in operation.

Marijuana called much more harmful to humans than regular cigarettes

Illinois Lung Association "Marijuana smoking constitutes the greatest single new threat to the health of our lungs in the United States," says an article in the September

issue of the American Lung Association Bulletin. "In the next ten years, the potential exists for an enormous worsening of the respiratory health of Americans, unless we do

something about it now," says Robert L. Dupont, M.D., author of the article. He is the former director of the National Institute on Drug Abuse.

While most new drugs are considered dangerous until proven safe, for marijuana the assumption has been the reverse, says Dr. Dupont; it has been assumed to be safe until proven harmful.

Dr. Dupont points out that marijuana smoke contains more tar and known cancer-causing agents than tobacco smoke.

He presents the findings from a study showing that a single marijuana cigarette smoked for 15 minutes produces as high a level of carbon monoxide in the blood as do 10 to 20 tobacco cigarettes smoked in the course of a day.

"American young people are literally the only population in the history of the world in which large numbers of an entire generation have smoked marijuana," he says in the Christmas Seal publication.

"The use of marijuana in other countries does not involve an entire society; generally, its use is limited to either religious groups or

social classes that are relatively isolated and are generally looked down on in the society."

He believes the lung health of this generation of Americans is in jeopardy.

"The most bizarre thing that strikes me about young people is that so many are concerned about pollution, worried about the environment, believers in eating natural foods, crusaders against the problems of nuclear energy—and yet they continue to smoke marijuana cigarettes," Dr. Dupont says. "There is a growing body of information about the health risks, and we need to get that across."

Brighter lights for SIUE parking area

Three improvement projects at Southern Illinois University at Edwardsville, costing a total of \$76,000, were authorized Thursday by the SIUE Board of Trustees. The plans will be submitted to the Illinois Board of Higher Education for review and approval.

Called "non-instructional capital improvements," the projects are: renovation of the east entrance of the University Center, \$10,000; improvement of the campus road from Lewis Road to the chancellor's office, \$16,000; and purchase and installation of high-mount light standards in the central campus parking area, \$50,000.

The University Center project, to be funded from

the Center's operating revenues, provides for installation of doors that will accommodate the moving of its items too large to be handled through ground floor entrances.

The site improvement project includes construction of a drainage ditch, installation of a culvert, and building up the base of the road from Lewis Road at the eastern boundary of the campus to the chancellor's office.

The new light standards will be designed to provide an increase in illumination for campus safety, and at a reduced level of electrical consumption.

The latter two projects will be funded by parking deal fees.

Retain Juneau for sewer start-up work

Juneau & Associates, Granite City engineering firm, has been selected by the Madison County Special Sewer Committee to provide engineering and consulting services for the start-up of the new sanitary sewers in Nameoki, Chouteau and Venice townships.

Ed Juneau, of that firm has served as the engineer for the project since its inception and was the primary drafter of the plans for the new sewers.

Now that the sewers are essentially complete, Juneau has proposed that his firm handle the start-up inspection work and additional engineering which may be needed. The county sewer committee voted at its last meeting to retain Juneau & Associates for the start-up work at a cost not to exceed \$4,300, plus laboratory costs, additional engineering services, maintenance, record keeping and other tasks—the total package not to exceed \$19,325.

The Juneau firm also is asking the committee to hire it to prepare cost estimates, building schematics and other paperwork related to

construction of a maintenance garage and office for the sewer superintendent and his crews, as well as paperwork involved in equipping the maintenance staff.

On a motion by Committee Member Morris Miles, Charlie Juneau, son of Ed Juneau, was authorized to prepare an estimate of the cost Juneau's office would charge for doing the work.

"I'll make that motion if it won't cost anything to prepare the cost estimates," Miles said.

Whitell said he thought the designing of the garage and office building was included in a previous contract to Juneau & Associates, but Charlie Juneau responded that the committee only "had an architect prepare a rough sketch and rendering an estimate of cost."

The EPA wants itemized lists, costs and plans for its approval before bidding on construction of the building can begin, he said.

The EPA has given preliminary indications that it will not pay portions of the cost for several things the committee plans to purchase

or build, it was explained. Of an estimated \$604,962 the committee planned to expend, the EPA will approve a grant of \$468,529, a letter from the EPA stated.

Plans for two truck bays at the garage, costing about \$423,762 were approved and the county is eligible for a \$372,922 grant for the bays.

The committee had suggested four truck bays, but EPA refused to help fund two of them.

Neither will the EPA participate in the funding for a three-ton pickup truck or a flatbed truck needed for sewer maintenance.

The trucks will cost about \$47,500. Also refused is participation in the funding of cranes costing about \$5,550, the committee was told.

Of \$33,750 worth of spare parts the committee wishes to purchase, the EPA will allocate only \$20,041 in grant funds. It will not participate in purchasing tools and equipment costing an estimated \$13,900.

Refusal of the EPA to participate with 75 percent funding for many of the items will leave the county paying a approximately \$129,529 plus the cost of the cranes, Juneau told the committee.

Whitell said it may be necessary for the committee to reduce its planned purchases, somewhat.

The committee approved an \$84,000 change order necessary to begin construction of a forced main from the Quiet Valley sanitary sewer lift station into the new county sewers. After the forced main is constructed, an infiltration and inflow study will have to show there is no leakage in the existing Quiet Valley sewers before the EPA will issue an operating permit for the lift station, the committee was told.

Similar infiltration and inflow tests will be required in Gaslight Walk, Meadow Lane and other areas which have their own private sanitary sewer systems.

Plan Commission meets this week

Requests for commercial zoning and annexation along Maryville Road, south of the city limits, and by State Loan and Savings for C-1 commercial zoning at 3802-3804 Nameoki Road are to be discussed by the Granite City Plan Commission at 1:15 p.m. Thursday in the city council chambers of city hall.

The EPA was erroneously announced in last Thursday's Press-Record that the hearings were being held that day.

Also to be studied is a request for C-1 commercial zoning for a restaurant in the former Jan-Van Upholstery

Shop at 3000 Buxton Ave., a request that property at 3708 Nameoki Road and the rear of 3712 Nameoki Road be rezoned from commercial to single-family residential zoning.

An R-4 residential zoning is sought for 2903 Buxton Ave., for construction of a duplex. After studying the requests, the Plan Commission will make a recommendation to the Granite City Council, which is to take official action Sept. 23.

Study Illinois soybean oil as a diesel fuel

Petroleum fuel price and supply concerns have spurred farmers to search for alternative fuels. Two research projects newly funded by the Illinois Soybean Program Operating Board are aimed at providing farmers with information on substituting soy oil for diesel fuel.

Chairman Clarence Warters says, "People across the nation have been trying out blends of soy oil and diesel. But scientific studies to provide basic information on engine wear, fuel quality and economics are still few and far between."

"To develop scientifically sound data, the Program Operating Board solicited research proposals on the subject and awarded two grants."

"Researchers at Southern Illinois University will study the fuel characteristics of soybean oil as a diesel fuel substitute. Using pure soy oil and various soy-diesel blends, they will determine its starting, running and performance in a diesel engine tractor and its economic feasibility."

"University of Illinois researchers will compare non-petroleum blends of vegetable oils."

"The viscosity of vegetable oil makes it too thick to use as a fuel without thinning. To reduce petroleum dependence, researchers will be experimenting with solvents made from agricultural products to blend with vegetable oils and then evaluate the most promising blends in engine tests."

Ticket sales for plays, musicals

The department of theater and dance at SIUE has announced its productions for the upcoming season.

Lynn F. Kluth, 692-2773, professor of theater, says this season's performances will include a play by a Pulitzer prize winner, Paul Zindel; the major work by a renowned Illinois poet, Edgar Lee Masters; a musical version of one of Shakespeare's best-loved comedies; a dance event featuring the University Theater Dance Company; and a drama by American dramatist William Inge.

"And Miss Reardon Drinks A Little" is scheduled Nov. 5, 6, 7 and 8.

Master's "Spoon River Anthology" will be performed Dec. 3, 4, 5 and 6.

Shakespeare's "Two Gentlemen of Verona" will play Feb. 19, 20, 21, 26, 27 and 28. "Dance In Concert" is scheduled April 16, 17 and 18 and Inge's "Picnic" will be performed May 13, 14, 15 and 16.

A general public subscription rate for the five events is \$16, with single admission tickets priced at \$4.

The SIUE special subscription rate is \$10, with single admission tickets \$2.50.

Subscription nights are Thursdays, Fridays and Saturdays.

All seats are reserved and subscription seats will be held for late arrivals. Kluth said. The sales period for subscription tickets extends from today through Oct. 31.

Rail industry big factor in the economy of Illinois

Railroad companies in Illinois employ 46,900 people and pay more in wages here than in any other state, according to the American Railroad Foundation (ARF).

The 1979 payroll totaled \$963 million, bringing in more than \$19 million in state and local taxes.

Railroad supply companies based in Illinois provide 19,600 additional jobs in the state, bringing total rail-related employment in the state to more than 66,000.

Nationally, the railroad industry employs approximately one million people.

"These figures show the magnitude of the railroad industry's contribution to the state's economy," according to Warren Fox, ARF chairman and director of sales and service for the Electro-Motive Division of General Motors in La Grange.

Fox also announced that Illinois stands second in the nation in its railroad mileage total of 11,198. Texas rank first with 12,924 miles of freight railroad trackage.

"The railroads pay taxes on their rail property that equal the annual cost of educating 9,232 children in Illinois public schools, further proof of our

economic contribution," according to Fox.

Transportation equipment leads in the class of product shipped, followed by primary metal products and food and kindred products.

Coal is the primary commodity of rail tonnage, both originating and terminating in the state.

"The figures are being released by the ARF as part of its program to make the public aware that railroads are the lifeline of America, a fact which Illinois statistics substantiate," Fox said.

ARF, a non-profit organization, was established in late 1978 to promote broad public understanding of the railroad industry and its importance and contributions to the nation's economy. Leading railroad supply companies comprise the ARF membership.

Trojan defense leads way in first victory

DEFENSE is how, mainly, the Madison Trojans came away with a 16-12 win over Breeze Central, Saturday. Above, Madison's Bernard Harper and M. Topol stop Central's Nick Timmerman. (Photo by Ed Seidel)

MADISON — The Madison Trojans were inevitable. Saturday afternoon.

After losing last year, and one this season, the Trojans won their first football game, 16-12 over Breeze Central.

It was only the fourth win in four years for Madison, but you could see it coming. Not only was the soggy weather Saturday afternoon could dampen the sweetness of the rare victory. After the Trojans scored two touchdowns last week in their opener against Quincy Notre Dame, notice that 1980 would not be a repeat of 1979 was served.

After the Trojans scored 16 points in the first half, the hint of success grew greater, though Madison led Central by only two points at the time.

By the time the third quarter rolled around, and still Madison led, the possibility seemed real.

And when the Trojan defense stopped Central drives from the 10, 15, and 20 yard lines in the second half, the win was all but assured. When it was all over, the seldom seen victory

naturally had everyone overjoyed.

"We're elated," said Madison head coach Al von der Haar. "Here's a team that heard all last year how bad they were, how they were ridiculed by everyone. They just went out and proved all that wrong."

"I just told them you guys did this. This is yours."

The win was in fact, almost as if the Trojans were operating out of sheer determination.

Of course some quirky sort of touchdowns made that determination a much stronger base.

Nadson scored set the nature of the game by scoring almost immediately.

On the opening kick-off — Madison to Central — the Trojans picked up a fumble by the Breeze returner on the 20-yard line.

Willie Ball's four-yard run turned the Central error into a Trojan gain, and Ball's successful sweep on the second-year franchise will be on November 20 at 7:35 p.m. when the Steamers take on the Baltimore Blast.

The 20 game home schedule features 16 weekend games, with the Steamers slated to play on eight Fridays, two Saturdays and six Sundays in St. Louis. The balance of four games includes one contest on each

point conversion of its own, but the run failed.

The biggest play of the game, though came in the second quarter. That's when Kenneth Briggs returned a Breeze punt 99 yards. Again, the Trojans added the two-point conversion, as Bernard Harper ran for a 16-6 lead.

Timmerman, who ran for 115 yards on the day for Breeze scored his and Central's second touchdown also in the second quarter, but again the attempted two-point conversion failed.

At the half, thanks mostly to the strong effort of the Madison defense, the Trojans held a 16-12 lead.

"It really wasn't much of an offensive effort," von der Haar said. "We scored from the 20 and got the punt return, but other than that it was a defensive situation. In fact every one of the four touchdowns we've scored this year have been set up by the either the defense or the specialty teams."

The Trojan defense continued to hold up more than its share of the load in the second half.

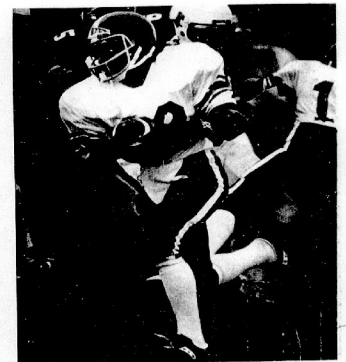

Of course some quirky sort of touchdowns made that determination a much stronger base.

OFFENSE helped too, though. Especially the big-play variety. Above, Madison's Willie Ball, who scored a touchdown and conversion for the Trojans is off and running.

Steamer slate announced

ST. LOUIS — The St. Louis Steamers 1980-81 forty game schedule was released Tuesday by the Major Indoor Soccer League. Each MISL team will play the Steamers at least once in the Checkerboard this season. The first home game for the second-year franchise will be on November 20 at 7:35 p.m. when the Steamers take on the Baltimore Blast.

The 20 game home schedule features 16 weekend games, with the Steamers slated to play on eight Fridays, two Saturdays and six Sundays in St. Louis. The balance of four games includes one contest on each

of the remaining days of the week.

Steamers' general manager Tracey Leiwke commented that the schedule is a good one for local fans. "We worked hard to get as many weekend games as we could and we're very pleased with the outcome of those efforts. We play on the road five of our first seven games which is tough, but we have some excellent home stands during the middle of the year."

Nineteen of the Steamers' home contests will begin at 7:35 p.m. while the game that is set for Saturday,

January 10 will be played at 1:05 p.m.

Each of the Central Conference rival teams (Chicago Horizons, Cleveland Force and Buffalo Stallions) will be seen in the Checkerboard three times this season. In addition, St. Louis fans will see their Steamers confront the Baltimore Blast, New York Wings, Philadelphia Fever, Hartford Hellions, and Phoenix Inferno one time each at home. The Wichita Wings, Denver Avalanche and San Francisco Fog will each test the Steamers twice in the Gateway City.

The Steamers' road schedule includes three visits to the home of each Central Division foe and two trips to New York, Baltimore and Hartford. Local fans in Philadelphia, Wichita, Denver, Phoenix and San Francisco will see the Steamers in action only once.

The Steamers also announced Friday, September 5, 1980, that a group of St. Louis, headed by Stan Musial and Joe Garagiola, has acquired the controlling interest in the ownership and operation of the franchise.

Musial, the baseball Hall of Famer who played his entire two decade career in St. Louis, will be the President and Chairman of the Steamers' Board of Directors.

Garagiola, a nationally known sports announcer and former baseball cardinal, will serve as one of the team's directors.

The new ownership acquired 60 percent interest in the indoor soccer club. The club had previously been owned by a three-man group headed by Marvin Mann, a financial planner from Westwood, New Jersey.

Leonard Messenger, an associate of Mann's, and Ray Klivicka, former coach of the NASL's New York Cosmos and Rochester Lancers.

The terms of the sale were not disclosed. Mann purchased the franchise for a reported \$100,000 one year ago and the Steamers turned into the success story of 1980. The team lead the league in attendance and averaged 14,000 fans per game. They sold out the 17,931 seat Checkerboard three times during the season and attracted an MISL record of 19,229 fans to a regular season game.

Earl Foreman, commissioner of the MISL, was present at the announcement and said, "It is apparent the announcement strengthens our league and continues to make the Steamers one of sport's outstanding franchises. These new owners are people of national prominence who show confidence in the sport of indoor soccer and the MISL."

Cougar golfers start fall season

ST. LOUIS: Jay Elhausen, another second-year player. Edwardsville: Jim Kurtzeborn, Ferguson, Mo., a sophomore; and Derek Dolenc, the only junior on the squad. He is a native of Auburn, Ill.

Gallatin predicted: "Elhausen and Kurtzeborn, I fully expect, will both improve on their standouts freshman records."

Bob Donnewald, a Caryle native who transferred from Arizona State in 1979, will give the SIUE squad much needed experience.

"His (Donnewald) credentials are substantial and he should help us a great deal," Coach Gallatin said.

Mark Marcuzzo, a freshman from Staunton, represents the wave of the future, according to Gallatin. "Mark is the best Metro-East prospect this year," the coach stated.

Bearcats gear up

LEBANON — The 1980 McKendree College Bearcat soccer program looks as strong as ever going into its ninth year of existence. The 'Cats are growing in the esteem of their peers and a soccer team.

The 1979 Bearcats finished with 11 wins, 5 losses and 3 ties, the seventh straight year of 500 or better soccer at McKendree. (The only losing season ever at McKendree was the first in 1972.)

Coach John Casey, who continued the Bearcats' success in his first year with the 'Cats, looks forward to bigger and better things in the years ahead. A 1974 graduate of Benedictine College in Kansas and a former assistant coach at Harris-Stowe in St. Louis, Casey stresses recruiting and has a strong knowledge of the game itself.

The loss of backs Larry Beerman and John Kowalski will be tough to take, but a

fine group of newcomers are joining the squad and are hoped to generate plenty of excitement as the season progresses.

Returning this year, among others, are Jim Hefner and Mike Hogan. Hefner, All-Area II again last year, has already broken McKendree's scoring records as a junior. The 6-6, 175-lb. graduate of Mehlville High in St. Louis is a forward with a powerful shot. Hogan was All-District 20 last season at halfback. This year from Rosary High School in St. Louis, Hogan was a powerful shot. Hogan was All-District 20 last season at halfback. This year from Rosary High School in St. Louis, Hogan was a powerful shot.

Added to a group of strong returning lettermen are a group of highly-touted newcomers. Ten top-notch freshmen and three junior-college transfers, all from the St. Louis metropolitan area, will give the team strength and depth this year, and in the years to come.

The strength of the

schedule should aid in the success and experience of the Bearcats. The Bearcats opponents this year include six division II teams, and four top NAIA teams.

Steelers rally for victory over Kahoks Down at half 9-7

OVER THE TOP goes Granite City North quarterback Dan Patterson as he prepares to deliver the ball to running back Kevin Buchanan.

Buchanan's 185 yards rushing and three touchdowns led North to a 28-9 win.

By RICK WELLE
for the Press-Record
GRANITE CITY — Collinsville head coach El Eschmann was pacing down the sideline. He was watching a 9-7 halftime lead dissipate to a 28-9 shattering at the hands of Granite City North.

The biggest reason for Eschmann's nerves was Kevin Buchanan. The six-foot, 185-pound senior had a field day Friday at Granite, as he rambled for 185 yards on 26 carries for three touchdowns.

"I was going through holes big enough for anyone to run through. All you have to do is hold on to the ball," Buchanan said.

He was being examined by a North coach for an injury to his left leg. Buchanan said the injury came midway through the first half, but he couldn't remember how it happened.

One thing's for sure, the injury didn't hamper him any, especially on the 75-yard burst in the fourth quarter for the touchdown that tied North's second win of the young season.

"He's really a talented young man," said Steeler head coach Tom Wyrostek of Buchanan. "I talked to him

at halftime and told him we needed to depend on him and he came through."

"It really felt good. We felt we could run the ball," Buchanan said.

And run the Steelers did. North had a total of 48 carries for 304 yards on the ground. Most of those came in the second half.

The first half was a different story. The Steelers started out strong with an impressive 55-yard drive following the opening kickoff. The drive was capped by a 6-yard TD run by quarterback Danny Patterson with 7:45 remaining.

Collinsville failed to pick up a first down in the following series and was forced to punt. Once again, the Steelers marched downfield to the Kahok 10. But Patterson fumbled the snap on first-and-goal, and Collinsville recovered.

That was one of two breaks the Kahoks needed. Although out-played in the first quarter (129 total yards for North compared to 10 for

Collinsville) they only trailed by seven. Then they capitalized on mistakes.

Collinsville was forced to punt again, but after the Steelers moved to another first down, defensive back Mike Jackstadt lined a Patterson pass perfectly and picked it off at the North 43.

On third-and-goal from the 10, Todd Miller found speedster Matt Sova in the left corner of the end zone for the TD. A bad snap on the point-after attempt left the Kahoks trailing 7-6.

"They really came after us and took advantage of the situation in the second quarter," Wyrostek said. "I was (worried) then. We were getting our butts kicked."

Following a North fumble at the Collinsville 45, the Kahoks moved downfield and Brian Wandling nailed a 23-yard field goal to give his team a 9-7 halftime lead.

"Most of the game they controlled the line of scrimmage," Eschmann said. "I'm sure the stats will show that."

North came out in the

second half and got the break it needed. On third-and-nine, from his own 28, Miller dropped back to pass. Linebacker James Wyrostek, on a close play over the middle managed to pick the ball off at the Kahok 28.

"The pass interference that wasn't called gave them the ball at the 20 or 30 yard line," Eschmann said, conceding that play was the turning point of the game. "We just gotta suck up then. In the second half they took it to us. Give them credit."

The Steelers capitalized on the break and took the lead when Buchanan broke off-tackle, 21 yards for the touchdown.

After that it was all Granite City. The Steelers mounted a second drive that took more than nine minutes, ending in another touchdown run by Buchanan from one yard out. Buchanan later broke 73 yards down the left sideline for his final TD and sealed the victory for the Steelers.

North is now 2-0 for the season.

South loses 21-13; final drive fails

By TOM SCHOCKER
of the Press-Record
O'FALLON — You have to keep running that play until you get it right. Well, you might say that Granite City South did just that. Again and again.

With a chance to draw a tie against a surprisingly tough O'Fallon Panther team Friday, the Warriors gave it their all in the late goings.

South was facing a golden opportunity with first down and goal on the Panther two yard line. But for straight attempts on surges up the middle produced only one yard, as the stingy O'Fallon defense dropped South 21-13 at O'Fallon.

"I thought we had given it to our best running back," said Warrior head coach Stan Wojcik. South was

given the occasion when with just under two minutes to play in the game, Dave Seizer recovered a Panther fumble outside the ten yard line. The Warriors moved the ball down to the two as time was running out.

Wojcik called the play to go to running back Mark Clark. However, Clark's inside route was like hitting a brick wall.

"We thought we could go that way," said Wojcik. "It was our strong point. He got nailed coming out of the box. It was just one of those things. Maybe it was a bad move on my part. We won't have a chance like that again."

Although South planted its points on the scoreboard first, the Panther defense kept them from any more tallies until the final period.

Clark got the scoring under way as he rambled into the end zone from three yards early in the opening period. "On our first score," said Wojcik, "we drove up the field with no trouble. But from then on, O'Fallon just came at us."

In the game, Clark handled the ball 19 times for a total of 87 yards and top rushing honors for the Warriors.

But Clark's work on the ground could not match the performance the Panthers received from their quarterback Jay Vaughan and running back Ron Gilliam.

"Gilliam is a good

athlete," said O'Fallon head coach Gary Bridell. "We try and use his speed whenever possible. He's a good open field runner."

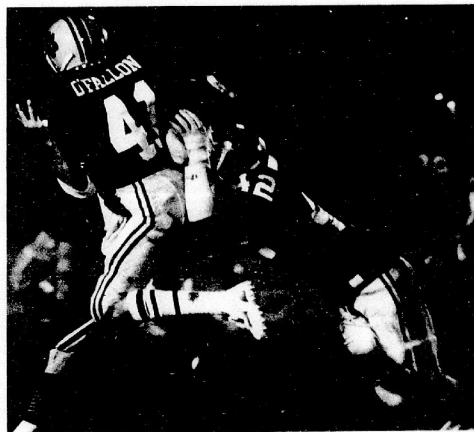

Run indeed. Gilliam scooted through the Warrior defensive line with relative ease. Unofficially, he only carried the ball three times, gaining 55 yards, but the speedy senior enabled the Panthers to tack on 14 points in the first half.

"We should have had him a number of times," said Wojcik. "We missed a lot of tackles on the line."

One particular play in which the Warriors were caught asleep occurred in the second quarter. On the opening down from scrimmage, Vaughan dumped a quick pass over the middle to Barry Smith. Upon reception, Smith turned an lateraled the ball to an oncoming Gilliam, who flew down the sidelines for an 80-yard touchdown run.

"It was a very good flicker," said Wojcik. "When we scouted them, they didn't give any indication of such a play. However, Bridell noted that the play was a definite possibility. "We had it designed, that was," said Bridell. "We just never got the chance to run it."

The one obstacle that prevented the Warriors from equalizing their season record was the stern O'Fallon defense. "They just out-hit us," said Wojcik. "They definitely controlled the line of scrimmage. The one play that didn't work was the sprint-out play-action pass. Our quarterback just didn't have enough time. You can't throw when you're under

SIUE ends road trip with win

DALLAS — The sixth-ranked team in NCAA soccer, the SIUE Cougars, concluded an early-season extended road trip yesterday against Texas Christian University.

The Cougars pounded TCU to the tune of 6-0, making up in a way for the 1-1 tie SIUE played with Southern Methodist University on Friday.

Going into the game against SMU, the Cougars faced the number three ranked team nationally, and one that figured greatly in SIUE's national championship last season.

The Cougars opened the scoring at 22:46 in the first quarter when Pat Malloy scored on a pass from Steve Schell.

SMU tied the score just before the end of the first half. At 76:00, SMU's Kamahl Kalilani scored on a pass from Nasser Sabatpour.

The tie held up through the entire second half and through two five minute overtime periods.

Cougar goal keeper Ed Gettemner made 10 saves of 28 SMU shots on goal, and SMU keeper Randy Phillips also made 10 saves on 21 shots by SIUE.

SMU had 11 corner kicks to Edwardsville's seven, and the Cougars committed 17 fouls to SMU's 20.

The tie made SIUE's season record 2-1-1. SMU's 1-0-2. SMU's other tie came at the hands of Indiana, who is also among the top five teams in the nation.

Yesterday, the Cougars faced TCU and the result was much more decisive. SIUE ran up a 6-0 win over a team which calls itself The Fighting Horned Frogs.

In the game, Pat Malloy tucked in the hat trick for the Cougars, scoring once in the first half and twice in the second.

In addition Malloy also had an assist on another of SIUE's goals. It was the third hat trick in his collegiate career.

Steve Schell scored first

for SIUE. Thirteen minutes into the game he scored on an assist from Mike Gauvain.

Malloy's first goal came at the 18-minute mark, and from a Tom Groak assist.

Dan O'Keefe gave the Cougars a 3-0 lead with his goal from Malloy at 59:00.

Then Malloy rounded out the Cougar's scoring with a goal at the 74:00 mark on an assist from Gauvain, and again at 84:00 with Leo Bourneut's assist.

The Dallas swing gave SIUE a 3-1-1 road trip as well as season record. The Cougars only loss on the trip came to Connecticut.

The home season at SIUE opens next Friday as the Cougars host the third annual Cougar Classic.

The other teams involved are Indiana University, Portland State University, and South Carolina University.

All but South Carolina is ranked among the top ten teams nationally.

The tournament will begin Friday at 6 p.m. with Indiana facing Portland State. At 8 p.m., SUIE takes on South Carolina.

Saturday at 6 p.m. the two losers will meet, then at 8 p.m. the winners will decide the championship.

Trojans

(Continued from page 7)

In the third quarter the Trojans fumbled the ball away on the 10, but the defense held.

Again the defense mounted stands against Central on the 15 and 20. With each stand the confidence grew.

"There's just a little bit of difference between a team that wins and one that loses," von der Haar said. "We've been working hard on that little extra and it's paid off."

And it should continue to pay. Now that the ice has been broken the limits seem hugely expanded.

Von der Haar, though, is not ready to assess the season on the basis of only one game.

"To tell you the truth, I don't have time the season after every game. I was gone Saturday night again scouting in Perryville, Mo."

Von der Haar did say that the Trojans had accomplished so far most of the goals set before the season began.

And in the future, who knows.

"This may ignite a bunch of kids," von der Haar said. "It may also show every one else we're back."

South losses—

pressure." This was evident as John Linhart was selected only one pass in 14 attempts.

"We knew he was a sophomore," said Bridell. "So we put a little rattle on him. But you have to give credit to our defensive coaches." The O'Fallon defense limited South to 135 yards on the ground.

The one pass completion for the Warriors went to Mark Marsh in the end zone. Marsh got inside the back coverage as Linhart delivered a strike which produced South's final tally of the evening.

"We made a lot of mistakes," said Wojcik. "And a lot of mistakes on the part. It was unbelievable, just unbelievable."

Driver hurt

Billy G. Vest, 30, of 1330 Marshall St., was admitted to St. Elizabeth Medical Center at 1:55 p.m. Friday suffering multiple cuts to the face, a broken leg, and multiple pieces of glass in his chest and arms. He is reported in satisfactory condition.

A trailer separated from the tractor pulling it on Illinois Route 203 and Edwardsville Road at 1:25 p.m. and collided with the Vest auto.

Vest was southbound on Route 203 and the tractor-trailer, according to the Illinois State Police, was northbound and making a left turn into Edwardsville Road when the tractor separated.

The driver of the tractor-trailer, Jerry L. Williams, 37, of Gerald, Mo., was not reported injured.

Parade and 24 games launch YMCA soccer

The mammoth YMCA fall 1980 soccer program began Saturday morning with flag flying and enthusiasm high for the new season. There are 50 teams, with 100 adult coaches and 900 boys ranging in age from five to 13.

With the Granite City High School South life and team spirit, the soccer players staged a parade from Namekoi School to the St. Elizabeth School soccer fields.

GCHS South soccer coach Gene Baker, who has led the Warriors to a string of consecutive state championships, spoke to the gathering and kicked the first ball to formally start

the "Y" soccer season.

In addition to the opening day contests Saturday among Senior Peevée teams brought these results: Eagles 9, Little Rascals 0; Vaughn's Pharmacy 2, Madison Orange Wave 0; St. Elizabeth 9, Bad News Bears 0; Happy Joe's 2, Boushard Home Remodeling 1; and Mitchell 5, Pantera's 0.

In the Junior Atom Division Saturday, Pride Express topped Curtains 2-0 and Jets One-Hour Cleaners beat the Nestle Kwik Kids 4-2.

Saturday's Midget Division competition saw the Mavericks and Mitchell tie 1-1 and St. Elizabeth blank Ed's Heating 4-0.

Sunday's scores follow: Senior Peevées: St. Elizabeth 3, Mitchell 0; Madison Orange 1, Bears 0; Vaughn's 2, Happy Joe's 0; Eagles 4, Pantera's 0; Boushard 5, Rascals 0.

Junior Atoms: Jets 3, Pride 1; Kwik Kids and Amvets, 1-1 tie; Mac's Bandits 2, Curtains 1.

Senior Atoms: Wood River 6, GC Steel Credit Union 2; St. Elizabeth 8, Mitchell 0; American Heritage 13, Siderer Supply 1.

Senior Bantams: Tigers 3, Cougars 0; Jaguars 1, St. Margaret Mary Celtics 0. Midgets: Lombardi 9, Ed's 0; Mitchell 5, St. Elizabeth 1.

Eastern season set

CHARLESTON—With the loss of only three starters from last year's 12-8 team which took the AIAW Division II State title and placed third at Regionals, Eastern Illinois University field hockey coach Betty Temple is setting her sights on Nationals.

The Panthers open their season with two scrimmages on Saturday (Sept. 6) at Macomb where they will face the University of Iowa and an Iowa Club team.

Eastern's home opener is slated for Wednesday (Sept. 10) at 4 p.m. against Indiana University.

"We have 15 players back from last year's squad," said Temple. "We're a stronger, more cohesive unit this year."

In addition to the returnees, the Panthers have added Bemidji transfer Deb Seybert and freshman walk-on Ann Bohannon.

"We're switching to a 4-2-3-1 system, in order to utilize our speed and endurance. This year we hope to be more attack-oriented," said Temple.

The Panthers' forward line will be comprised of veterans Peggy Moore (Mt. Zion), Seybert (Edwardsville), Donna Maclos (Granite City-South) and Mary Ohi (Mascoutah).

With the exception of Seybert, all of them played together last year," said Temple. "The addition of Deb (Seybert) only makes them that much tougher."

The Panther's link line will consist of newcomers Bohannon (Pana) and sophomore Colleen Fletcher (Mascoutah). "Both players are fast with a seemingly unending amount of endurance," said Temple.

Defensively, the Panthers will have depth coupled with experience. "We've got seven players vying for spots on the field. Each one of them has the potential to start," said Temple.

"Right now I'd say our starters would be Sue Spinner (Pana), Gigi MacIntosh (Macon Mt. Zion), Sue Carr (DeKalb) and Kathy Sherer (Rockford-West). But with the talent we have, that lineup could change any day," said Temple.

The goalie spot will again be shared this season by third year veteran Becky Legrande (Albion-Edwardsville) and sophomore Deb King (Sidney, Ohio). "You could change any other player to give you her best... both are real scrappers," Temple said.

"As always, our reserves will have a tougher job than any other player on the squad. They have to prepare themselves for any spot on the field and be ready to fill it whenever I call on them," said Temple.

"Luckily, this year's reserves have valuable playing experience from last year. They're a strong, dependable group," Temple added.

Among the reserves that will be seeing action are forwards Nancy Scappa (Batavia, N.Y.-Geneseo CC) and Dorothy Wells (Leland), and defense players Ruth Gegus (Granite City-South), Karen Berry (Edwardsville) and Leah Westerhold (Worden-Edwardsville).

"We've got a long tough schedule ahead of us this year. There will be no easy games. However, this team has more talent, is more aggressive, is more well-balanced and has more potential than any other team I've coached," Temple said.

"I'd like to see us come out 15-game winners and state champs. Then we'll talk about Regionals," added Temple.

Harmon heads sports

A Granite City student has been named sports director at WSIE radio, the SUIE station.

Kevin "Kip" Harmon, a 20-year-old junior majoring in broadcasting at SUIE, was chosen to fill the position vacated when current sports director Dave Talbert graduated.

The announcement of Harmon's selection was made September 4 by station manager Bill Allermann.

As sports director, Harmon will be responsible for the broadcasts of various Cougar athletic events,

including soccer, which will begin on WSIE September 23.

Harmon is a 1978 graduate of Granite City South high school, and lives with his parents, Mr. and Mrs. Clarence Harmon of 2661 Grand Ave. in Granite City.

He is an officer in the SUIE Cougar Guard, and a member of the Epsilon Phi chapter of the Alpha Phi Omega Fraternity.

Harmon is currently employed as an assistant bellhop at the Marriott Pavilion Hotel in St. Louis.

Fox winner at T-C's Kirkpatrick Memorial

By JEFF EAVES

Taking the lead on lap 12 Stan Fox of Janesville, Wis., won the 40-lap Larry Kirkpatrick Memorial IMCA midget race at the Tri-City Speedway.

Fox, who started on the fifth row inside passed team mate Kevin Olson of Rockford, Ill., and led all the way and lapped the whole field except second, third and the fourth place finishers.

Driving the Pabst Blue Ribbon VW Fox also made a clean sweep of the night by winning his heat, trophy dash and setting the fast time in qualifications with a 22.74 seconds on the half mile.

On lap 20 in the 40-lapper No. 36 John Ritchie of Springfield, Ill., won the tri-city feature.

John Ritchie flipped his car end over end in the third turn. Ritchie was taken to St. Elizabeth Medical Center with cuts and bruises but was released.

In the first heat Stan Fox was the winner followed by Bob Carey of Woodstock, Ill.,

Bill Bane of Sparta, Ill., and Dave DeFranties of Springfield, Ill. Kevin Olson won the record 10-lap heat over Arnie Knepper of Belleville, Ill. Mark Alderson of Timber Lake, S.D. and Terry Wente of Normandy, Mo.

Dave Ray of Davenport, Iowa won the third heat over Bobby Wente of Normandy, Mo. Tom Bland of Springfield, Ill. and Ronnie Franklin of St. Louis.

Mack McClellan of Greenwood, Ind. won the fourth heat over Chuck Kunk of Springfield, Ill. Jon Bland of K.C. Kan. and Wes Hardin of Springfield.

Stan Fox won the trophy dash over Bob Carey, Arnie Knepper and Kevin Olson. First year rookie Arnie Knepper of Belleville, Ill., won his first race ever and it was the semi-feature leading every lap over Ronnie Franklin, John Ritchie and Wes Hardin.

The 40-lap feature Stan Fox won the winner followed by teammate Kevin Olson

followed by Dave Ray, Bob Carey, Terry Wente, Bill Bane, Dave DeFranties, Ron Eden of Crawfordville, Ind., Jimmy Jones of Kenosha, Wis., and John Lucas of Springfield, Ill.

A total of 39 mighty midgets were on hand. This coming Friday, Saturday and Sunday, Sept. 19-20-21 Tri-City Speedway track promoter Gil Rimmel will promote three days of World of Outlaws sprint car racing at the Capital Speedway in Holts Summit, Mo., on Friday night, Tri-City Speedway on Saturday night and Sunday afternoon the WOO's will run for the first time ever on the Illinois State Fairgrounds one-mile track in Springfield, Ill.

Upcoming events at the Speedway on Sunday, Sept. 28 the first annual Midwest 100. A 100-lap late model stock car race with the winner picking up a \$5,000 first place prize, and on Oct. 4-5 the WOO's sprint cars will close the 1980 season finale with a two-way race.

Panthers are picked first

CHARLESTON—Eastern Illinois University's Panthers are the preseason pick to win the Mid-Continent Conference football championship.

But it was far from a consensus choice as all but one of the five Mid-Continent Conference schools received at least one first place vote in this year's poll of athletic directors, head coaches and sports information directors.

The University of Akron was the conference's first title choice in the initial 1978 season. Youngstown State was the champ but Eastern, although finishing third in the MCC, astounded the critics by winning the NCAA II National Championship.

Then last year the Panthers were the overwhelming pick to win the title but finished in a tie for last as Youngstown won its second straight undefeated league championship.

The next meeting of the Quad-City Unit will be at St. Elizabeth Medical Center, Oct. 23, at 7:30 p.m. For further information regarding the Quad-City Unit and the free services and programming available, Quad-Cityans may call Lucido at 452-7116.

Joe Lucido, manager of the Granite City Steel Credit Union, has been elected as unit board chairman of the Quad-City Unit of the American Cancer Society.

Also elected to serve a one-year term are Dr. Felicia Koch, MD, medical director and unit president; Dr. William Popovic, MD, vice president; Mrs. Randall Irwin, secretary; and Earl Dotzauer, treasurer. A vice-chairman will be named at a later date.

Lucido said that in order to bring free programs and services to the communities in the Quad-City Unit the active involvement of concerned volunteers is needed. An appeal is being made for professional and lay volunteers to plan and

carry out a wide variety of programs designed to educate people as to the problem of cancer and the progress being made in detection and treatment modalities.

PRODUCTION OF SEED CORN DOWN IN STATE

This summer's corn-crippling weather may also be affecting next year's crop. Many seed corn producing areas have been hard hit by high temperatures and drought, say experts who have toured much of the state observing crop conditions.

They say production of seed corn, from which come the seeds to be planted next spring — is off by as much as 10 percent. Some have predicted a 10 percent rise in seed corn prices to farmers.

A witness said he saw two chains holding the coil break before the trailer tipped over.

Trailers overturned and caused the truck trailer to be on its tip over on 26th Street at Edwardsville Road last week. The driver of the truck, Gary L. Burns, 3248 Edgewood Ave., told police he felt the load shift as he turned onto 20th Street and the next thing he knew, the trailer was on its side. A witness said he saw two chains holding the coil break before the trailer tipped over.

Pilgrim Governor to be Marvin L. Kaus, regional director, Mooseheart, Ill.

Kenneth, age 16, needs foster home

(Department of Children and Family Services) Kenneth wants very much to cooperate and will do his part to get along with foster parents.

He is 16 years old, white, husky built, with dark brown hair and brown eyes.

He has a slightly defensive exterior which developed because of abuse and rejection. But underneath he is a sensitive young man. Kenneth has had a difficult life. He does not want to return to his family, but needs mature, compassionate adults to guide him.

He likes music and spends a lot of his spare time playing an instrument or attending concerts. He also like to skate and is active in

many other sports. But his main goal is to get a job and become independent.

Kenneth needs and wants structure in his life and needs the security it brings.

He needs a foster father, especially, who will set an example for him and lead him into becoming an independent and responsible adult.

Those who are interested in Kenneth, or in foster care in general, may call the Illinois Department of Children and Family Services, Granite City Field Office, 676-6995, and ask for Shirley.

Foster parents are paid \$212 a month for teens; medical, dental and pharmaceutical expenses are also paid by the state.

Added services to students taking merit scholastic test

Dr. William Breidenbach and Sonya Adkerson, directors of guidance at North and south high schools, have announced that students taking the Preliminary Scholastic Aptitude Test, National Merit Scholarship Qualifying Test, (PSAT-NMSQT) on Oct. 21 will benefit from additional services in 1980. These services are designed to provide students with more information about the content and uses of the test.

Students who plan to take the 1980 PSAT-NMSQT will receive a complete sample test for practice, along with an answer key and scoring instructions.

When scores are reported in December, each student will receive a Report of Student Answers, including the correct answers as well as the answers the student gave.

To allow students to refer to the original questions, schools will return test booklets with scores. Students also will continue to receive About Your PSAT-NMSQT Scores, a booklet of general information on college planning.

The PSAT-NMSQT is the qualifying test for students who wish to participate in the nationwide scholarship competitions administered by the National Merit Scholarship Corporation.

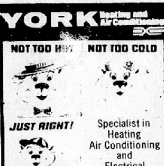

It measures verbal and mathematical abilities considered important in college work. Sophomores

may take the test, but only juniors are eligible for scholarship competition.

Students who rank near the top of their class are being urged to enter the scholarship competition. School bulletins are available in the school guidance offices upon payment of the \$3.75 fee.

Registration at North begins Sept. 16 and ends Sept. 26. Registration at South begins Oct. 1.

Mrs. Crenshaw entertains
Mrs. Norma Crenshaw entertained members of the Garden Study Club in her home for a monthly meeting and tour of her garden.

The hostess served a noon luncheon in her porch green house and later conducted a tour of her garden including the vegetable area and rose and various flower garden. During the business segment, which was opened with the members reciting the club collect in union, roll call was answered with each one speaking of the trees around their homes.

Mrs. Clara Winter presented the program for the day in keeping with the year long study of trees. She read an article relating to trees known to thrive in other states as well as Illinois.

Others attending were Mesdames Genevieve McComis, Mary E. Storum, Marie Eads, Margaret Hueseman and Cheri Petrillo.

MR. AND MRS. BRIAN EAVES

whose wedding took place in the First Baptist Church of Madison. Formerly Deborah Ellen Hull, the bride is the daughter of Mr. and Mrs. Harry Hull, 2250 Washington Ave. (McBride Photo)

Deborah E. Hull and Brian Eaves are wed

Miss Deborah Ellen Hull, a daughter of Mr. and Mrs. Harry Eugene Hull, 2250 Washington Ave., and Brian Keith Eaves, son of Mr. and Mrs. Frank Eaves, 1659 Fourth St., Madison, exchanged wedding vows on Aug. 9, at the First Baptist Church in Madison.

Preceding the ceremony Mrs. Mary Livesay sang "Nodda's," "We're Only Just Begun," and "The Lord's Prayer." She was accompanied by Betty Lipe at the organ and Steve Cuppett at the piano.

The Rev. Paul Davis performed a double ring ceremony at 6 o'clock in the evening.

Serving as candlelighters were Mike Eaves, a brother of the groom, and Randy Sumpter, the bride's cousin.

Tammy Milan presided over the guest book at a reception held at Polish Hall in Madison, immediately following the service.

For her wedding, the former Miss Hull selected a long white old fashioned empire style gown designed with a high collar and sheer yoke delicately traced with Brussels lace motifs and edged with a gathered ruffle.

Her long bishop sleeves were set into the molded bodice and the skirt, which extended into a chapel train, featured an overskirt with wide insertion lace.

She wore a Juliet cap of lace and seed pearls to secure her walking length veil trimmed with matching lace.

Her bouquet was composed of blue roses and carnations interspersed with white carnations and tied with lace streamers.

Attending the bride as maid of honor and bridesmaids were Miss Janet Davis and Mrs. Sue Culepper, both cousins of the bride, and Miss Linda Goebele.

They were attired in identical blue printed organza dresses created with jewel necklines and double tiered short capes. Their skirts terminated with a gathered flounce.

Each attendant held a bouquet similar to the bridal arrangement.

The flower girl, Meredith Jones, a cousin of the bride, was dressed in a light blue frock accented with white lace trim and a full skirt with a ruffled hem. She held a basket of blue roses and white carnations.

Eric Cuppett, a cousin of the bride, was the ringbearer.

The groom chose his brother, Jeff Eaves, as best man, John Palchek and Walter Rasewski were groomsmen and Ron Koeneman and Paul Humphrey seated the guests.

A rehearsal dinner was held in the church fellowship hall.

The bride is a Granite City High School South graduate and is presently employed at Midwest Curtain Co., St. Louis.

Her husband works at the American Steel Foundries and is a Madison High School graduate.

They are residing in Madison.

Elkettes hosted

The September meeting of the Elkettes Club, held at the Elks Club Rathskeller, was attended by 46 members and one guest.

Mrs. Joyce Curran, a polka supper was served.

Mrs. Elmina Trichsel, president, conducted a business meeting following the meal. She called upon Mrs. Phyllis Grimm to explain the new recommendations of the club's by-laws. The membership will vote at the October meeting on the by-laws.

Mrs. Shirley Cunningham, entertainment chairman introduced Tommy Walters who presented a humorous lecture.

A prize was won by Mrs. Mildred Jungels.

City Temple scene of Hunt-Gantt nuptials

Arrangements of white flowers and greenery on the altar and burning tapers in branched candelabra provided the setting for the wedding on July 19 at City Temple Assembly of God Church of Miss Kay Gantt and Lance Hunt.

The Rev. M. W. Wilson and the Rev. Eugene Cope officiated at the double ring ceremony at 6 o'clock in the evening.

Vocalist Vicki Simpson was accompanied by Larry Smallie on the guitar. Musical selections included "Annie's Song," "My Sweet Lady," "Longer," "Forever Young," "I Am Loved," "Follow Me," "There Is Love" and "The Lord's Prayer."

The bride is the daughter of Mr. and Mrs. Norman Gantt, 217 Greenway Drive.

Parents of the groom are Mr. and Mrs. William Hunt, 701 Twenty-eighth St.

Candlelighters were Theresa Layer and Barbara Canon.

Given in marriage by her father, the bride chose a full length gown of white Chantilly lace over taffeta. A crystal pleated flounce edged with Cluny lace outlined the sheer round yoke featuring a high neckline with stand-up collar.

Matching pleating and lace accented the full bishop sleeves and the full skirt which fell softly into a full chapel train.

Her cathedral veil of chapel illusion, bordered with lace, was secured to a lace covered camelot headpiece. She held a bouquet of all white flowers festooned with white satin ribbon.

Miss Kelly Bywater was maid of honor. Bridesmaids included Laura and Gail Gantt, sisters of the bride, Mrs. Cheryl Williams, sister of the groom, Mrs. Rhonda Hunt, a sister-in-law of the groom, Kathy Waldo, and junior bridesmaids, Carol Gantt, the bride's sister, and Laura Meyers.

They wore identical powder blue full length gowns designed with empire waistslines, defined with a lace trim, and complemented with matching capes and wide brim hats.

Each carried a single white rose and baby's breath tied with blue ribbon.

Jamie Beaver, a cousin of the groom, and Chuck Noud, the bride's cousin, served as flower girl and ringbearer, respectively.

William Hunt attended his brother as best man, Glen Wilson, Jim Camphyl, Darrell Williams, brother-in-law of the groom, Terry Gilmore, Robbie Bell, the bride's cousin, Darryl Long and Jimmy Edwards, completed the corps of groomsmen and ushers.

For her daughters wedding, Mrs. Gantt chose a full length giana gown in tea rose worn with a pleated cape and corsage of white rosebuds. Mrs. Hunt, the groom's

MARRIED. Mr. and Mrs. Jerry Schutzenhofer whose wedding was solemnized at the Religious Center of Southern Illinois University, Edwardsville, campus. Formerly Jo Mercer, the bride is the daughter of Floyd Mercer Jr., Edwardsville, and Mrs. Nancy Wiggernhorn, Wood River.

Jo Mercer marries Jerry Schutzenhofer

Miss Jo Mercer and Jerry Schutzenhofer, both of Maryville, were united in marriage at 4 p.m. on July 26, at the Religious Center of Southern Illinois University at Edwardsville.

The Rev. Dickson Beall performed the double ring ceremony. Musical selections were by Hope Borgen, soloist.

Parents of the bride are Floyd Mercer Jr., Edwardsville, and Mrs. Nancy Wiggernhorn, Wood River, former residents. The groom is the son of Mr. and Mrs. Bernard Schutzenhofer of Washington Park.

Honor attendant was Kim Turner and the bridesmaid was Claire Ewart.

Bill Hart attended the groom as best man and his brother, Jeff Schutzenhofer, was the groomsman. James Mercer, a brother of the bride, served as usher.

A reception at St. Martin's Church Hall in Washington Park.

The newlyweds are residing in Collinsville, following a wedding trip to the Missouri Ozarks.

A junior student at SIUE, the bride was graduated in 1975 from Edwardsville High School. Her husband is a 1974 graduate of Assumption High School, East St. Louis, and is owner and operator of JLS Photography in Collinsville.

MR. AND MRS. LARRY LIGIBEL. They were married at Eden United Church of Christ, Edwardsville. The bride is the former Lisa Steele, daughter of Mr. and Mrs. Howard Steele of Edwardsville, formerly of Granite City.

Lisa Steele becomes Mrs. Larry Ligibel

Lisa Steele, daughter of Mr. and Mrs. Howard Steele of Edwardsville, and Larry Ligibel, son of Mr. and Mrs. Richard Ligibel of Collinsville were married on July

12 in the Eden United Church of Christ, Edwardsville.

The Rev. Orville Harris performed the ceremony. Robin Schmitt was the maid of honor and the bridesmaids were Michelle Baer and Dorothy Henry.

The best man, brother of the groom, was Tim Ligibel. Groomsman were Alex McGee and Jerry Atwood. Walter Brassefield and Bill Kopecki served as the ushers.

A reception followed the ceremony at Sunset Hills Country Club.

The couple is residing in Edwardsville.

MR. AND MRS. MARK RABUS. They exchanged wedding vows at St. John United Church of Christ. A daughter of Mr. and Mrs. James Jackson Jr., 2248 Bern Ave., the bride is the former Roberta Lee Jackson.

Rabus-Jackson wedding at St. John United

St. John United Church of Christ was the scene of the wedding on Aug. 2 of Miss Roberta Lee Jackson, a daughter of Mr. and Mrs. James Jackson Jr., 2248 Bern Ave., and Mark August Rabus, son of Mr. and Mrs. Robert Rabus, 1222 Winrock, Creve Coeur, Mo.

The Rev. Dr. Kenneth A. Netz performed the double ring ceremony at 7 o'clock in the evening.

Organist Alan Milster accompanied Linda McIntire as she sang, "Hawaiian Wedding Song," "He" and "The Lord's Prayer."

For her wedding the bride chose a formal length white gown fashioned with an oval neckline accented with a circular ruffle which created a capelet and trimmed with Venice lace motifs.

Long tapered sleeves were set into the fitted bodice and the semi-straight skirt featured a lace applique design on the front. The chapel train was edged with a deep gathered flounce.

She wore a lengthy length veil of bridal illusion bordered with matching lace flowers and she held a colonial bouquet of silk white and blue roses intermingled with white carnations and baby's breath and tied with lace streamers.

Maid of honor Janet K. Crawford and junior bridesmaid, Mary Ann

Jackson, a sister of the bride, wore identical blue chiffon floor length dresses.

The gowns were designed with V-necklines edged with a ruffle caplet that created a short sleeve effect and long flowing skirts.

Each girl wore a halo of multi-color flowers in her hair and they held an arrangement of blue, white, and burgundy daisies tied with blue ribbons.

The groom chose his brother, Roger Rabus, as best man, and Chris DeTuntz, as junior groomsman. Mark Kuntz and Dale Dressel seated the guests.

A rehearsal dinner was held at Charlie's Restaurant and a reception for guests was hosted at the Elks Lodge.

The newly married Mr. and Mrs. Rabus are residing in Manchester, Mo., following a wedding trip to Hawaii.

A graduate of Granite City High School, the bride attended Southern Illinois University at Edwardsville and Washington University. She is employed as a systems programmer at Kellogg Co., Chesterfield, Mo.

The groom was graduated from McClure High School, the University of Missouri at Columbia where he received a degree in accounting. He also earned a degree in computer science from Washington University, and now is an employee of Brown Shoe Co., St. Louis.

Central Christian group plans events

A study theme for the year and forthcoming events were the topics of discussion of the Central Christian Women's Fellowship, at its initial session for the fall season.

Velma Gruen opened the business segment with the CWF prayer and welcomed 27 members who attended the meeting held in the church fellowship hall.

Mrs. Joyce Rutledge, study chairman, gave an introduction to the general meeting studies following the theme of "Trusting" and urged each member to continue attending to provide a good study and discussion session.

Collections of Campbell labels, eye glasses, stamps and blanket money will be an ongoing project according to Mrs. Blanche Lane, service chairman.

The president announced the group will serve the Opti-Mrs. on Oct. 20, the Girl Scout leaders on the evening

of Oct. 22, and host a layette shower for the Church Women's Union at the November meeting.

Honor Circle disbands

One of the oldest church circles in the Quad-Cities held its final meeting last week in the parlors at Niedringhaus United Methodist Church.

After more than 50 years of existence, members of the church's Honor Circle agreed to disband as an established group.

Members will be reassigned to other circles in the United Methodist Women's organization.

However, the ladies decided to continue to meet as a group each Wednesday for informal quilting sessions.

Honor Circle originally was formed over a half-century ago as the Niedringhaus Church Ladies Aid.

It was several years later that other women's groups within the church were organized and became known as "circles."

At last week's meeting, Mrs. Beulah Fox presided and offered the prayer.

The devotional lesson, entitled "Christian Assurance," was presented

by Mrs. Ina Smith.

A poem, "The Moment," by P. S. Barnett was read by Mrs. Eva Evans.

It was reported that four visits to people who were ill had been made in August.

To conclude the afternoon session, Mrs. Fox served a dessert course to those mentioned and to Mrs. Edith Etherton and Mrs. Pearl Campbell.

Utilize resource teachers, CETA

Granite City School Board members have informally authorized Superintendent B.J. Davis to review the new regulations and make faculty adjustments where necessary.

It was noted during the board meeting that the enrollment study will include Marshall School, where the number of resource teachers has been increased.

Ways that resource teachers are being utilized were outlined by Supt. Davis and Vasil Effimoff, administrative assistant for pupil personnel services. Most are taking class-size groups part of the day and spending the remainder of the school day working with smaller numbers of pupils. George Moore Sr. served as acting president of the meeting. Also present were Board Members Robert Maxwell, Thomas Miotky, David Partney and Donald Stucke.

It was decided to hire Mrs. Gail A. Mathenia as a teacher assistant for special education at Grigsby Junior High School.

The board rescinded a leave of absence granted earlier to Karen Cooper. A leave was approved for Nancy Rapp, Johnson School middle intermediate teacher.

A special education driver contract was revised to call for liability insurance of \$100,000 to \$300,000, instead of the previously listed \$300,000 to \$500,000.

A new list of cafeteria worker substitutes was approved for 1980-81.

Extracurricular assignments approved call for James Davis to serve as Grigsby Junior High eighth grade basketball coach, Gary Morgan to be the head basketball coach for girls at South High, and Cynthia Hornell to be the assistant girls' volleyball coach at South.

It was decided to continue utilizing Comprehensive Employment and Training Act workers in the book rooms of GCHS South and GCHS North, and several administrative offices.

The CETA program for Granite City students and graduates was started during the summer and has proved to be satisfactory, Supt. Davis said. Offered to the school system at no cost to the district, it is to be continued "on an as-needed basis, depending on district needs and the availability of qualified, trustworthy applicants."

By 5-0 votes, the board approved attendance at a conference on school law Sept. 26-27 in Chicago (school attorney and any board members available) and the 1980 joint annual conference hosted by state board and administrative groups Nov. 22-24 in Chicago (one administrator and any board members wishing to attend).

No interest was indicated in attending a state school board association seminar next week on evaluation of teaching staffs, superintendents and board members. Sessions are being held at Jacksonville, Decatur and Marion.

Thomas Holloway, director of industrial arts, vocational and career education, will attend the American Vocational Association convention in New Orleans Dec. 5-9, with necessary expenses paid by the district.

Transportation, lodging, meals and registration will be paid for attendance at the fall conference of the Illinois Principals Association Oct. 4-8 in Chicago by Agnes P. Fryntzko, Parkway School principal, and Jack Mulach, Maryville School principal. Mrs. Fryntzko is a director-elect of the regional congress member and Mulach is a member of the state committee for the association. Both will serve as group session leaders at the conference.

Released time was approved for Lake School Principal Edward J. Gowan to attend monthly one-day governing board meetings of the Illinois Council for the Gifted. He is the group's 1980-81 state development chairman.

The Granite City Park District will use Coolidge, Frather and Grigsby junior high schools from 6:30 to 10 p.m., Monday-Friday, September to May, for its fall and winter program and will use the GCHS South cafeteria for its annual park sports award banquet Nov. 11.

Granite City Elks Lodge 1063 will use the Grigsby gymnasium Dec. 20 for its annual children's basketball free throw contest. John VanBuskirk, tennis coach, was authorized to use the GCHS South tennis courts Sept. 20 for a benefit tennis tournament to aid an ailing local resident.

The Madison County Girls Soccer Association will use the GCHS South for soccer games at Emerson, Coolidge, Frohardt, Grigsby, Mitchell, Johnson, Maryville and Nameoki.

The YMCA Soccer Association will hold soccer practices at Frohardt, Johnson, Maryville, Coolidge, Nameoki, Niedringhaus, Wilson, Frather and Lake.

St. Elizabeth School was authorized to use the Nameoki School gymnasium for basketball practices and games from Oct. 16 to March 1.

And the Cahokia Mound Boy Scout Council will hold its annual Uniwah District dinner Oct. 25 in the GCHS South cafeteria.

Madison County Federal Savings and Loan again will conduct a thrift poster contest from the third grade through high school.

The board approved continued service as school volunteers by nine local members of the Retired Senior Volunteer Program.

FELLOWSHIP TO HEAR SPEAKER SATURDAY

The September meeting of the Alton Area Chapter of the Full Gospel Business Men's Fellowship will be held Saturday, Sept. 20, at the Steelworkers Abel Hall, 2821 E. Broadway, Alton, at 7 p.m. There will be a potluck meal and fellowship from 5:30 to 6:45.

Speakers for the evening will be Matthew Frank of St. Louis. After graduating from the school, Christ for the Nations, in Dallas, Texas, he spent several months as a missionary evangelist in Europe.

BROADCAST JOURNALISM is part of the Granite City High School North Speech Department program. Out of 36 advanced speech students who auditioned as public address announcers, those chosen are, from left: Melissa Travis, Lori Halbert, Greg Warfield, Lisa Randall, Lynda Loftus and Cathy Graville.

Nearly 20,000 at Illinois State

Efforts to decrease the number of new students at Illinois State University, Normal-Bloomington, were successful, but even so the on-campus enrollment has reached a record 19,717 this fall. The total is up 141 students from a year ago, and would have been still higher had admissions not been curtailed for freshmen May 2 and transfer students June 16.

ISU has 6,081 new students, a decline of 327 from last year. That includes an increase of 32 in those newly admitted to the graduate school.

An enrollment cutback is being sought at the request of the Illinois Board of Higher Education staff, which wants to improve Illinois State's financial position by reducing enrollment while increasing general revenue funding.

BHE staff enrollment targets for ISU, Northern Illinois and Sangamon State are based on full-time equivalent enrollment, which will not be known until the academic year is concluded.

Dr. Wilbur Venerable, director of admissions and records, said the ISU enrollment increase is caused by a higher retention rate. "Our retention figure has increased over the years."

"I think our system for controlling the enrollment of new students was successful. If there had been no restrictions, we would have enrolled more than 20,000 on campus."

Off-campus enrollment of part-time students at extension centers around the state will judge the ISU head count above that figure. Nearly 1,000 students will participate in the College of Continuing Education programs.

Last year's final head count was 20,535.

Births, deaths show increase

The number of births, deaths and marriages showed increases in Madison County during August, according to a vital statistics report by County Clerk Evelyn Bowles.

There was a total of 343 births in the county during the month, including three sets of twins, compared to 327 births during the same month a year ago, including two sets of twins, the report showed.

Births last month included 179 boys and 164 girls, this compares with the birth of 159 boys and 168 girls during August 1979.

The report showed a total of 169 deaths last month, up from 158 a year ago. A total of 306 marriages were performed last month, an increase of 34 over 272 reported in August a year ago.

Broadcast journalism part of North training

Thirty-six advanced speech students auditioned to be public address announcers at the school. The announcers read news about school activities and news over the public address system to the entire student body.

Those selected after tryouts were Lisa Randall, which will serve as leader of the group, Lori Halbert, Cathy Graville, Greg Warfield, Lynda Loftus and Melissa Travis.

Taped tryouts were held, which were judged by the speech department faculty. Dr. Goni Michaeloff, department chairman, F. Gordon Mueller and Wayne A. Hubbard.

The announcers are chosen each semester from students enrolled in the North Advance Speech classes who are interested. Tryouts are optional to the student.

The announcers are coached in broadcast.

journalism reading style by Dr. Michaeloff.

The tryouts are held the second week of the semester and is an activity designed for students with an interest in broadcast journalism.

EIU record enrollment

Eastern Illinois University's fall semester enrollment at Charleston has reached a new record despite curtailment of efforts to attract new students. The official count, announced on the tenth day of classes, is 9,989, or 272 higher than last fall's 9,717.

First time students total 1,980, compared to 1,760 last year.

Eastern's slowdown in recruitment efforts came after the Illinois Board of Higher Education recommended last November a cutback in enrollment, in an attempt to achieve funding equity among colleges and universities.

"Our high school relations and admissions programs are long-range processes, and most of the contracts with 1980 new-student applicants had been made prior to the BHE recommendation," said Dr. Glenn Williams, vice-president for student affairs.

PRE-PROPOSAL 959
Open Landscape Office

The Bi-State Development Agency (Owner) desires that all interested suppliers, manufacturers of Open Landscape Office Furniture, and Office Furnishing Systems to present pre-qualification questionnaires for the Leclerc's Landscaping Headquarters Building Project.

Firms interested in providing Open Landscape Office Furniture and Office Furnishing Systems should make written request for Office furnishing Qualification Questionnaire from the Purchasing Director, 3869 Park Avenue, St. Louis, Missouri 63110. Questionnaires will be mailed on or after September 23, 1980. Deadline for return of the questionnaire is at 3:00 p.m., October 14, 1980, St. Louis time, in the office of the Purchasing Director. Envelopes must be plainly marked: Pre-Proposal 959: Open Landscape Office Furniture and Office Furnishing Systems. From a review and evaluation of the questionnaires, the Owner will select firms for the interviews and/or subsequent competitive bids.

The Bi-State Development Agency hereby notifies all pre-qualified firms that in regard to any contract entered into pursuant to any pre-qualification, invitation to bid, advertisement or solicitation, minority business enterprises will be afforded full opportunity to submit pre-qualification proposals and/or bids and/or proposals in response. Firms will not be subject to discrimination on the basis of race, color, sex, age, physical handicap, or national origin in consideration for an award. All firms will be required to comply with all applicable equal opportunity rules and regulations and equal opportunity policies and procedures established by the Bi-State Development Agency. Prior to the submission of competitive bids, firms must be prequalified with the Illinois Fair Employment Practices Commission, Public Contracts Division, 178 West Washington Street, Springfield, Illinois 62702, prior to the bid opening. This may be accomplished by submitting a completed IFEP Form PC-1 to the Illinois Fair Employment Practices Commission for prequalification prior to bid opening. These firms are furnished with all bid specifications after completion of the pre-qualification selection.

The Bi-State Development Agency solicits and encourages minority business enterprise participation with regard to this project. MBEs will be afforded full consideration of their responses and will not be subject to discrimination. Firms bidding will be required to comply with the Agency's Minority Business Program goal requirement where applicable.

Pre-qualification questionnaires will be received at the General Office of Bi-State Development Agency, 3869 Park Avenue, St. Louis, Missouri 63110, until times noted above. Any pre-qualification questionnaire received after the time referred to above will not be considered and will be returned to the sender unopened.

After completion of the pre-qualification selection and upon submission of the competitive bids, Bi-State reserves the right to accept any bid or reject any and all bids on such a basis as the Agency deems to be in its best interest, subject to regulations governing DOT assisted transit purchases, which require this Agency to award to the lowest responsive and responsible bidder.

Any contract resulting from the solicitation of proposals-bids is subject to financial assistance contracts between the Bi-State Development Agency, U.S. Department of Transportation, and the Illinois Department of Transportation. Firms submitting proposals-bids will be requested to certify that they are not included on the U.S. Comptroller General List of persons or firms currently debarred for violations of various public contracts.

NOTICE OF PUBLIC HEARING

Re: Capital Equipment FY 1980

Notice is hereby given that a public hearing will be held by Bi-State Development Agency at the Ambassador Building, 411 North 7th Street, Room 105, St. Louis, Missouri on October 1, 1980. The hearing, which is scheduled to begin at 7:00 p.m. is for the purpose of considering the project as described herein, for which Federal capital assistance under Section 5 of the Urban Mass Transportation Act of 1964, as amended, is being sought.

A Description of Project
1. This project consist of capital equipment required by Bi-State Development Agency to properly operate in the St. Louis area public mass transit system in FY 1981. Specifically, Bi-State needs to:
purchase 44-54 Transit Cassettes estimated at \$6,639,000
and purchase 2 sets of Spare Bus Assemblies estimated at 168,000.
2. Bi-State's service area includes St. Louis City, St. Louis County and Jefferson County in Missouri. The Illinois counties of Madison, St. Clair and Monroe are also served by Bi-State transit services.

3. An estimated net project cost of \$7,499,213 has been identified. Bi-State will request approximately \$5,999,370 from the Urban Mass Transportation Administration for this project while the remaining \$1,499,843 will be provided from local sources. Local financial assistance for this project will be provided from monies collected through the Missouri half cent transportation sales tax and by funds contributed through the Illinois Department of Transportation's Capital Assistance Program.

B. Relocation
"No persons, families, or businesses will be displaced by this project."

C. Environment
This project will not have a significant environmental impact upon the urban-service area.

D. Comprehensive Planning
This project is in conformity with comprehensive land use and transportation planning in the St. Louis area and is consistent with the adopted programming of projects in the Transportation Improvement Program.

E. Elderly and Handicapped
The design of the project contained herein will take into consideration the special needs of the elderly and handicapped.

F. Charter Bus Operations
Bi-State Development Agency does not engage in any charter bus operations exclusively for the transportation of students or school personnel.

II. At the hearing, Bi-State Development Agency will afford an opportunity for interested persons or agencies to be heard with respect to the social, environmental, and economic aspects of the project. Interested persons may submit orally or in writing, evidence and recommendations with respect to said project(s).

III. Should the Urban Mass Transportation Administration (UMTA) prepare a formal statement of the environmental impact of the project, the availability of such statement from UMTA will be made known by publication in the same manner as publication of the notice of public hearing.

IV. A copy of the application for a Federal grant for the proposed project, together with an environmental analysis, the transcript of the annual element and the transit improvement program for the area served by the project is presently available for public inspection at Bi-State Development Agency, 411 North 7th Street, St. Louis, Missouri 63101, between 9:00 a.m. and 5:00 p.m. Monday through Friday.

Approve aid for first pregnancy

Governor James R. Thompson approved legislation Thursday to include childless pregnant women in the state's Aid to Families with Dependent Children (AFDC) program. "A pregnant woman's needs for housing, food and clothing are just as important to her health and well-being before delivery as they are after the child is born," Thompson said.

In approving most of the provisions of Senate Bill 1747, the governor applied an amendatory change which will, if the General Assembly concurs by a majority vote in

each chamber, move the effective date forward to Dec. 1, 1980. The bill carried a July 1, 1981, effective date as passed.

KEARNY'S EXPEDITION
Col. Stephen W. Kearny's expeditionary force arrived in Las Vegas on Aug. 15, 1846, where he proclaimed the annexation of New Mexico by the United States.

Durability most important in purchase of lawn buildings

What do persons look for when shopping for a lawn building? Durability and type of materials used in construction are the most important factors, according to recent industry market research.

Least important is the availability of installation. (About 87 percent of all buyers put up the buildings themselves.)

In response to these preferences, Sears reports it has developed Dura-Finish. It lasts five times longer than the finish on any other steel lawn building previously offered by the retailer.

"Storage buildings with Dura-Finish were tested at our Florida laboratory for three-and-a-half years," said a Sears lawn building buyer.

"Even under the worst possible weather conditions the buildings with this finish showed no signs of rust, while all other lawn buildings showed wear."

The seven-step finish features double galvanizing and a tough, polyester prime coat on wood-grain surfaces of walls and doors.

On white surfaces, including roofs, a plastisol top-coat helps resist weathering.

There are three building models with Dura-Finish. The gable roof style is offered in six sizes up to 10 x 21 feet. There are three gambrel roof models—up to 10 x 12 feet—with extra headroom and louvers for increased ventilation.

The super storage models, with four sliding doors, are available in four sizes up to 12 x 27 feet.

All Dura-Finish buildings have woodgrain wall panels, decorative doors with white roof and trim in addition to double-ribbed wall and roof panels, vertical door brace, mid-wall
